From the Principal’s Desk

Dear Parents/Carers,

Jenny Tantari’s Retirement
Jenny has made the big decision to retire. She will officially finish at the end of this term. Jenny has made an outstanding contribution to the education of so many students during her career. Her commitment to the needs of students in her care is a model for all teachers. We wish Jenny and her family all the best for the next phase in her life and are pleased to say that Jenny will be back soon to do some relief teaching with us. Our intention is to appoint Rachael Richardson to continue teaching the class for 4 days (Monday-Thursday) and we are pleased to announce that Lisa Ankin will be returning from leave to teach the class each Friday.

Parent Teacher Sessions
Many thanks to both parents and teachers for a very successful round of discussions highlighting progress and future needs for your children. If you have been unable to make an appointment in this round I would encourage you to make contact with your child’s class teacher to organise a discussion as soon as possible after the term break.

State Athletics Carnival
Congratulations to those students who have been selected, and all the best to our representatives for tomorrow’s carnival!

STUDENT FREE DAY
Just a reminder to parents that tomorrow Wednesday 16th April is the last day for students for Term 1. Thursday is a Student Free day when staff will be continuing work on Kids Matter and beginning work around our mid-year reports.

School returns on Monday May 5th. We wish everyone a safe and happy holidays.

Kind Regards,
Mick
FIRE SAFETY PROGRAM
Beginning on the first day of next term the Tasmanian Fire Service will run their Fire Safety program for Prep – Grade 6 students. Activity books will be handed out to Grade 1 – 4 students and after the conclusion of the program these books can be taken home and will, hopefully, provide the stimulus for many discussions with the whole family about ensuring your home is fire safe. The following topics, amongst many others, will be covered:

- The installation of smoke alarms
- A fire escape plan
- Stop, Drop and Rock and Roll
- What to do if a fire starts in your home

I’m sure families will make the most of the opportunity provided by this program to ensure that the concept and practice of fire safety is firmly embedded in the minds of their children.

Kind regards and best wishes for a safe and happy holiday,

Patrick Fleming, AST

LOST AND FOUND
Lost—Navy school windcheater with logo, named Lily C on the tag, please return to the school office if found.

Found - A girl’s handbag at the school fair with a small amount of money inside. If you think this may be your child’s please contact the school office.

LOST PROPERTY
Once again there is a large amount of lost property at school. Items that are handed into the office, if named are returned to the child. Unnamed items are placed in our Lost Property basket near the staffroom. Please remember to label your child’s belongings clearly as this makes the task of returning them to their owner that much easier.

TERM 2 - SLIPPERS
After the holidays children will be required to remove their shoes before entering their classrooms. If possible your child should bring a pair of slippers from home to be left at school to wear inside their classroom.

STUDENTS IN THE SPOTLIGHT
On the weekend we had several students participate in the Northern BMX Championships.
Shelby Steward started the day winning all three of her first session races, in the second session she had a spectacular crash whilst leading the race, resulting in a visit to the St Johns Ambulance. Patched up, she competed in the last race with a win. Finishing the day with the first place trophy in the 8 Year old girls. Zakk Steward finished with a second and two thirds. The second session saw Zakk get a first and a second a result that saw him place second overall for the day in the 10 year old boys.

William Reeve came 1st in all of his 5 motos, Sarah O’Callaghan participated in the 5 year old sprockets and Hayley O’Callaghan came 2nd in 4 motos and a first in 1 moto.

AGFEST NEWSPAPER DELIVERY
Each year a group of Grade 5/6 students from Hagley take on the task of delivering The Mercury newspaper to each of the stalls at AGFEST. The bulk of money raised goes towards specific Grade 5/6 activities such as camps & excursions.

We all ready have a small group of children who have volunteered to do this but are in need of a few more. Members of the delivery team need to be at the AGFEST site main gate no later than 7.45am (via their own transport) on delivery days. Deliveries will be over by 9:45am when the children will need to be collected from the main gate.

Grade 5/6 children who are interested and available to be a part of the 2014 delivery team are invited to return the slip below tomorrow.

ENTERTAINMENT BOOKS
Last week the new entertainment membership was launched and new books will be distributed to students who pre-ordered their book on Wednesday, so you’ll be able to use them over the school holidays. On the launch night I learnt a few facts I would like to share with you. This year’s introduction of a digital membership has a few added benefits. First of all, up to 4 phone devices can be added to one membership. So now its possible to share your membership with kids, husband or good friends. Also, your membership will keep track of all the savings you have made at all times. Lastly, your membership will be always there with you on your phone, so no more ‘forgot my book’ situations. The book is a great opportunity to make big savings and has great ideas for things to do with the kids over the holidays. Your membership will activate immediately after payment, so it can be used straight away. To order a book online, go to: https://www.entertainmentbook.com.au/orderbooks/240r570, and $13 for every book sold will go automatically into the Hagley school account.

Happy and safe holidays.

FIRST AID COURSE IN CARRICK

The Carrick Community Committee are looking at the feasibility of getting the Red Cross to run a first aid course in the Carrick Hall. To make it viable we need at least 10 participants. We are also investigating the possibility of getting a grant to cover some of the cost. If you are interested or for more details contact Jill Cunningham on 0407 860 406.
