From the Principal’s Desk
Dear Parents and Carers,

ECE Tabloid and School Athletics Carnival
Our junior students began the day in fine style enjoying their involvement in a range of fun and challenging activities. Many thanks to Mr Fleming for coordinating all the helpers to ensure a highly organised and successful morning.

Participation levels were extremely high and our students showed great endeavour in the Athletics Carnival. Congratulations to Red house for a such a great team effort to win the coveted shield. A huge thanks to Mr Preece, Mr Harris and the team of helpers including Lee Morcom, Bill DeRuyter and Geoff Gibson for preparing the oval fantastically well. It was great to see so many parents and family members coming out to make the day special. Special thanks to Mrs Patsy Graham and her band of helpers in the Catering Van for providing sustenance to the spectators.

Fair
Mrs Patsy Graham and the P and F team have been working busily to prepare for this weekend’s fair. Volunteers are still needed and in particular we are looking for two parking attendants for an hour or so at the start. Please contact the office if you can help out.

Northern Midlands Primary Athletics Carnival
Congratulations to all our representatives! I was fortunate to be able to spend some time at the carnival and witness some outstanding individual and team performances! Special thanks to Mrs Corinne McShane for taking on the role of Team manager and once again I would like to recognise the effort of Mr David Preece in preparing and sharing his experience and expertise with our team. Also many thanks to Mrs Katrina Harris who had the challenging role of coordinating the carnival.

Kind Regards,
Mick

PARENT-TEACHER MEETINGS
A reminder to parents that our Parent-Teacher interviews begin next week. If you have already sent in a request for an appointment time, you will receive confirmation of your day and time soon. If you have not requested a meeting time, we would encourage you to do so. This is an important opportunity to meet and discuss your child’s learning together. Please contact the office for information regarding available dates and times. If you are unable to attend on the days indicated, please contact your child’s teacher to arrange a time that suits both of you.

We look forward to meeting with you.

RELAY FOR LIFE – CRAZY COOKIES

Last Saturday our Relay For Life team, the Crazy Cookies, was one of 105 teams that walked the track at St Leonards from midday Saturday to midday Sunday. Our team was 34 strong and very enthusiastic – though somewhat less energetic after the twenty four hours were up. Many thanks to Robyn Shean for supplying our tent and to other team members who provided seating and various goodies during the time. The number of cookies sold was just over 2000 and, with other generous donations, our total money raised so far is just over $1500.00. If any member of the school community would like to make a direct donation, I can provide receipts for tax purposes. I would like to express my appreciation to all our team members and to those families who supported our cookie drive so generously.

NAPLAN 2014

Please find below some information re this year’s NAPLAN testing, which will affect Grades 3 and 5 students. At the moment our classroom teachers are preparing their students for this year’s NAPLAN, with support from our TAs and Senior Staff to provide small group work for those participating in the assessment program in 2014. If you have any questions or concerns, please contact me at the school.

Kind regards,
Patrick Fleming, AST

Grade 5/6 Sport

Our grade 5 and 6 students and teachers have begun preparation for the NMPSSSA winter sports rosters that begin early next term. The students have selected a sport from football, hockey, netball and soccer. The winter roster runs most Friday afternoons during Terms 2 and 3. The teachers in charge of each sport will inform the students of any necessary equipment. A mouthguard is compulsory for all students who participate in hockey and strongly recommended for those in football.

A code of conduct for all NMPSSSA sporting rosters and events exists for all students, teachers, parent helpers and spectators. A copy of this code has been sent home with all Grade 5/6 children. Please find 5 minutes to read through with your children.

Athletics Carnival

Our athletic carnival was held last Wednesday in wonderful autumn conditions. Congratulations to all students for the manner in which they competed and supported each other. Thank you to all staff and parents who contributed in whatever way to ensure the carnival was another huge success.

Yesterday, our school representative team competed in the NMPSSSA athletics carnival at St Leonards. Congratulations to all students who were selected in the team and thank-you to Mr Preece and Mrs Corinne McShane for guiding the team on the day. A complete list of the Hagley team is included in the newsletter.

Also, a special mention to Mrs Katrina Harris who organised and managed the entire NMPSSSA carnival, a task that takes many hours!

VALIDATION FORMS

Thank you to the majority of parents/carers who have returned this to the school office, your information has been now updated. We have some forms that have not yet been returned. Additional copies of validation forms have been sent to these families with today’s newsletters. Can you please ensure these are completed and returned to the office ASAP. It is important that we have current contact information for you in case we need to contact you. It is vital that you complete the permissions section of the form and sign the last page. Without these permissions your child may be excluded from school activities such as the upcoming visit from the Tour de Cure, as they wish to film at the school and children can not be included unless we have permission from parents/guardians via this form. Thank you for your assistance with this necessary task, please don’t hesitate to contact the school if you have any questions.

GUESS THE WEIGHT OF FRECKLES

We are having our usual tractor rides at the Fair and we are also having a competition to Guess the weight of Freckles, one of our resident pet sheep. She is well fed and hopefully pregnant, usually a multiple birth and shorn in December. Come and have a go at guessing her weight and win the prize. We will weigh her at 1.30pm fair day when Russell Cowan will bring his electronic scales over. The guess nearest to the kilo will be declared the winner.

Thanks from the Environment Centre Staff

HOW MANY EASTER EGGS IN THE JAR COMPETITION?

Mrs Gray’s 3/4 class and Miss K’s Grade 2 class are raising money for the fair this week by undertaking a competition to guess how many Easter Eggs are in the jar. A guess will be 20 cents each or 3 for 50c. The closest guess will of course win the jar of Easter Eggs. So bring along any small change to school and have a go. The 3/4 class members will be taking guesses during recess and lunch time up till Friday. You might be surprised!

AGFEST 1-3rd MAY

Yes, I know! We’re hounding you enough for the fair already, but if we don’t start on Agfest, we’ll be on school holidays & have no volunteers. Agfest is a major source of fundraising for the school – aiming for $10,000. But we need your help!

It’s during the last week of school holidays but if you manage to spare a couple of hours & help out it in our catering van it would be much appreciated. No special talents required, male, female, you can cook or serve, plenty of jobs to go around.

We’ll give you a free ticket in & a few laughs while you’re there! Please circle your time preference/s, fill in your details & the Agfest committee will be in touch before the holidays. THANK YOU
