From the Principal’s Desk
Dear Parents and Carers,

Working Bee Thanks
Sincere thanks to our parent helpers Lee Warren, Brian Graham, Caron and Stephen Gamble for giving up their Saturday morning to assist with a thorough tidy up of our farm frontage. Also a big thank-you to Anthony Harris, Lou Garwood, Pete Rundas and Andrew Harris for volunteering their time and skills. Lou’s BBQ lunch was well received at the end of the clean-up.

Chaplaincy week activities and donations
We are extremely fortunate to have such a highly effective Chaplain in Mr Pete Garwood. This week is Chaplaincy Week where we celebrate and highlight the great work Pete does during his two days per week with us. There is an annual short fall in the federal funding amount for the program. So in consultation with the Parents and Friends, we will be doing some fundraising during the year to attempt to raise the approx. $4000 shortfall for the two days that we have Pete available to us. Cash donations can also be made directly to the school Chaplaincy Fund via the main office or as indicated in Miss Cook’s article in this Newsletter.

Kind Regards,
Mick

Northem Community Forum—Bullying
Advertised in today’s newsletter is a community forum presented by Professor Donna Cross. The theme of the forum is bullying, including cyber bullying. The school has 7 free tickets to give to parents to attend this event. If you are interested in attending; please contact the office. The tickets will be issued on a first in basis. It will be held on Wednesday 21st May at the Albert Hall at 5.30pm. This forum and speaker are highly recommended and your attendance would be worthwhile. Please see advertisement on page 7 of today’s newsletter for more information.

CRAZY COOKIES:
This is the last week that cookies will be sold as a fundraiser for the Crazy Cookies Relay For Life team. As well as the many wonderful cooks who added to our cookies supplies, I would like to thank Lynn Barwick, Robyn Shean, Lochlan Kitchin and Bonnie-Rae O’Toole who have been tabulating and distributing the cookies to the classrooms. Great job!!! So, don’t miss your last two opportunities – tomorrow and Friday - to have a delicious snack whilst contributing to a fantastic cause at the same time.

GRIP Leadership Conference:
In collaboration with the 5/6 classroom teachers, the following students have been chosen to represent Hagley at the northern GRIP Leadership conference, to be held at The Tailrace Centre on Thursday, April 3. This wonderful conference provides students with opportunities to meet students from other schools, delve into the meaning of leadership and to participate in highly energetic, fun-filled activities. The students selected are: Tom McShane, Suzanna Gibson, Jacob Mitchelson, Jackson Oliver, Kate Harris, Misha Garratt, Brynn Jones, Chelsea Johnson, Ebony Cuthbert, Jasmine Flindell, Sophie Badcock and Harrison Powers. I’m sure they’ll all return from the day full of enthusiasm and great memories.

EARLY CHILDHOOD TABLOID SPORTS
Tomorrow Prep – Grade 2 students participate in the Tabloid Sports activities between 9.15 and 10.35 on the school oval. During this time each class is divided into two different groups and rotates around a cycle of fun activities such as Egg and Spoon races, Water Carrying games and Obstacle Courses. Each of these activities will be run by our ASL team, and other Grade 5 and 6 students will help escort the Prep – 2s between each activity. Family members and friends are welcome to come along and watch the EC students having a great time.

Kind regards,
Patrick Fleming, AST

SAUSAGE SIZZLE LUNCH – FUNDRAISER FOR CHAPLAINCY PROGRAM
To help celebrate Chaplaincy Week, and the work Pete our School Chaplain does in our school, we are organising a sausage sizzle for lunch on Friday 28th March. Money raised from this sausage sizzle will go to support funding for this program within our school.

The School Chaplaincy Program is funded through an annual Federal Grant, which pays the salary of the chaplain. Unfortunately, this amount has not been increased at all for the past few years, despite an increase in costs such as wages and insurance. This leaves a shortfall in the amount needed to employ our chaplain. Schools now have two choices – either they only have a chaplain for part of the year, or they find ways to make-up the shortfall in funds.

We would very much like to employ Pete for the whole year, and so, in consultation with the Parents and Friends and community members, we are investigating ways to raise the additional funds needed. This year, we need to find an additional $4000.00.

Some parents have made enquiries about making a donation directly to support this program. If you would like to do so, simply write a cheque made out to Scripture Union and send it to the office. We will pass it on and make sure that it is entered into our Hagley chaplaincy program.

Our sausage sizzle on Friday will be the start of our fundraising efforts. Hopefully there will be some others during the year. Sausages are $2.00 each. If your child/ren would like to order a sausage (or two), please complete the order form in this newsletter and return to the office.

STUDENTS IN THE SPOTLIGHT

Seth Pfeiffer competed in 6 events at the Little Athletics Championships and won gold in the Under 9 boy’s high jump. Great achievement in becoming State Champion.

Please let us know of any of our child’s achievements, so we can celebrate them in the school newsletter. Email information to hagley.farm.primary@education.tas.gov.au.

**PARENTS & FRIENDS**

**FAIR – 5th April, 11-2pm.**

Not long to go now! Don’t forget to order your tickets in this newsletter but also fill out your volunteer form! The class stalls will of course need some helpers but in order to feed you all & run a couple of extra activities, the P&F will also need volunteers in:-

- Hot Chips, Food Van, Cake Stall, morning teas, Ticket Booth, Balloon Burst (prize balloons) & the craft stall.

Please volunteer a little of your time by filling out the form in this newsletter. Even if your class stall has it covered, we could definitely do with your help & we shouldn’t have to use some helpers for the whole 3 hours! Please help to spread the load. Thank you to those who have volunteered – it’s a good start! We’ll be in touch to confirm stalls and times etc. during fair week.

Thank you to the awesome helpers who are helping to seek prize donations this week. Many hands make light work!

**VEGETABLE GARDEN—SCHOOL FAIR**

Thanks to Rob Casey for providing bags for mulch at the school fair.

Kilby family for donating Lucerne and pea straw and chaffing it. Huett family of Deloraine for donating onions. Woolworths for providing $50 for prize for guess the weight of produce competition.

Don’t forget if you can donate anything like jam, relish, potatoes, carrots, onions, garlic, broccoli, lemons, apples, pears, plants, horse and sheep manure please don’t forget to call Seona on 0428922106. We will have giant sunflower seeds to sell, bulbs and much more! Also if you can help on the plant stall even if it’s for 1/2 hour that would be great.

TOUR DE CURE VISIT—FRIDAY 4TH APRIL

Tour de Cure is a cycling foundation dedicated to raising funds and awareness in the fight against cancer. Since 2007 the Tour de Cure has raised in excess of $11 million to fund 137 vital cancer research, support and prevention projects helping men, women and children.

This year the tour is going from Sydney to Hobart and will be visiting our school on the afternoon of Friday 4th April. The riders will be sharing the ‘BE FIT, BE HEALTHY, BE HAPPY’ cancer message and giving education packs to the children involved. Parents are welcome to join in for the afternoon.

AGFEST 1-3rd MAY

Yes, I know! We’re hounding you enough for the fair already, but if we don’t start on Agfest, we’ll be on school holidays & have no volunteers. Agfest is a major source of fundraising for the school – aiming for $10,000. But we need your help! It’s during the last week of school holidays but if you manage to spare a couple of hours & help out it in our catering van it would be much appreciated. No special talents required, male, female, you can cook or serve, plenty of jobs to go around.

We’ll give you a free ticket in & a few laughs while you’re there! Please circle your time preference/s, fill in your details & the Agfest committee will be in touch before the holidays. THANK YOU

**Aggression and Bullying (including Cyberbullying) among Young People**

The Department of Education, through the Professional Learning Institute is pleased to invite parents and carers and members of the wider school community to an evening with the internationally acclaimed health educationalist:

Professor Cross is an internationally renowned health educator from the School of Exercise, Biomedical and Health Science at Edith Cowan University. She has an international profile in school health promotion intervention research and is a renowned campaigner for the wellbeing of children and young people.

Reducing bullying has been the social issue of highest importance to Australian students since 2010 and it is a significant issue impacting on the wider community. Bullying behaviour causes both victims and bullies to experience distress and psychological harm, and impacts the ability to learn effectively.

Her most significant research relates to her work on aggression and bullying (including cyberbullying) among young people. She has also made significant research contributions in the areas of drug use, cigarette smoking, child abuse, HIV and road safety. While much of this research was conducted in Australia she has also been involved in youth based research throughout the USA, South Africa, Canada, and Japan.
