Assembly Programs
Our assembly program of a Friday is a fantastic way to celebrate student achievement, showcase great work from the classrooms and strengthen the delivery of our School Expectations (Be Safe Be a Friend and Be a Learner). Classes regularly use the great quality data projector, sound system and staging generously provided through Parents and Friends funding to add value to presentations. Please come along if time allows to share our weekly assembly experience. Occasionally, as is the case this week for the Primary assembly, sporting or visiting artists mean we don't have an assembly but this is communicated via the newsletter. The Primary assembly usually begins at 11.20 and the EC assembly at 1.30.

Kind Regards,
Mick

The Fun Run is now only a week away – next Thursday, June 26 – and the Gr 5 and 6 school parliamentarians are busy making posters and trying to design a challenging and enjoyable course. Added to the usual build-up is the knowledge that the class that raises the most money will be rewarded with a delicious batch of home-made cookies!

You will find below a timetable of when the various classes are running – this is for a period of 30 minutes only – and what dress-up theme they have chosen to adopt. We hope to see many of you here to watch and enjoy the fun. On the Fun Run day students will arrive at school in their usual school uniform and bring with them a bag for their costumes. Unless they go home with their parents after the run, they will need to change back into their school uniform after the run.

Students also need to return their forms (without money) next Wednesday to their classroom teacher, who will then sign off the number of laps completed, and send the form back home that afternoon.

The students then need to return **the form and the money in an envelope to the school office**, hopefully by the end of the following week, the last week of Term 2.

NORTHERN MIDLANDS CROSS COUNTRY REPORT

On Thursday 5 June, 40 students from Hagley travelled to Cressy to compete in the 2014 Northern Midlands Cross Country Carnival. The weather was beautiful and the course was in super condition. Our runners performed extremely well and all gave their best against stiff opposition. Eighteen of our runners finished in the top ten across the various age groups, which was fantastic! Three of our boys managed to win their respective events; Seth Pfeiffer, Grade 3, Ryan Arnott Grade 4 and John Cummins Grade 5. Adam Burr finished second in the Grade 6 event after a titanic struggle with a runner from Cressy. Solomon Clarke also performed well in the Grade 3 boy’s event, finishing 3rd. Maddison Sayer was the best of our girls finishing 2nd in the Grade 3 event in her first trip to Cressy. I would like to thank all the parents, grandparents and carers who ventured to Cressy to support our runners. I would also like to thank Mrs Johns and Miss Hindrum for helping supervise the team.
