From the Principal's Desk

Dear Parent and carers,

Fun Run
This Thursday is our Fun Run. This event has been organised by our very capable School Parliament to raise money to support our foster child and also to install two Basketball backboards in our gym for both PE and lunchtime activities and games. Your support is greatly appreciated.

Reports
Reports will go out Tuesday of next week. These documents represent a great deal of time and effort to capture your child(ren)'s progress over the first half of the year. I am sure that you will find them very informative. Written reporting is only part of our Reporting and Assessment policy so please don’t hesitate to talk to the class teacher to clarify or elaborate if needed. Geography is included alongside English, Maths, History and Science this reporting phase, as we implement all relevant areas of the Australian Curriculum over time.

Farm
Mr Mathew Johnson has returned to farm management duties after suffering a work related injury. We sincerely thank Mr Jeff (Pud) Gibson for his flexibility and sustained involvement over the last months to ensure the viability of our farm enterprise. We are implementing a pasture improvement plan over the next months which should increase our profitability.

Kind Regards,
Mick

ELECTRONIC NEWSLETTER
Thank you to those parents/carers who have returned their forms indicating their preference for the newsletter. Please return your form by this Friday.
Carol Spencer
School Business Manager

GRADE 5/6 SPORT
Weather permitting our football, netball and hockey players will be travelling to Longford for Friday afternoon sport this week.
Fun Run 2014 – Hope you can join in the fun!
The Fun Run is almost upon us – this Thursday, in fact. Please check below to see the time your child is involved – and hopefully come along to support them.

In preparation for the Fun Run students should return their forms (without money) tomorrow to their classroom teacher, who will then sign off the number of laps completed on Thursday, and send the form back home that afternoon.

On Thursday, students need to wear their school uniform to school. Teachers will give them an opportunity to change before their running time. While some classes have opted for a ‘colour’ theme, we ask that no hair colouring, spray or otherwise, be used.

If the weather is too inclement for an outside Fun Run, we will set up an alternative course in the gym – minus the hay bales unfortunately.

The students then need to return the form and the money in an envelope to the school office, hopefully by the end of the following week, the last week of Term 2. The class which raises the most money will get a delicious reward on the first day of Term 3!

School Parliamentarians have done a great job in designing the course, which will be put together first thing on Thursday morning.

Photos: While you are welcome to take photos of your children, please remember that some families have withheld permission for any photos to be taken of their child. We suggest that your photos be as individualised as possible and also that you check with your child’s teacher re this issue.

Good Things For Good Choices
Next week both the Early Childhood and Primary classes will be having their Good Things For Good Choices afternoon. This is a celebration of children’s good behaviour during the term. Unfortunately, some students have been excluded because of choices they made during the term, resulting in receiving three Yellow Cards; Parents and guardians of these students have been notified of these exclusions. Given our population of Prep – 6 students is nearly 400, it reflects how well our students have done this term that we have so few exclusions – congratulations to all those students who will be participating in GT4GC next week – what a wonderful way to end the term. Early Childhood classes will be celebrating next Wednesday afternoon, July 2, while Primary classes will celebrate on Friday, July 4.

Patrick Fleming
AST
PARENTS & FRIENDS:

PARENTS AND FRIENDS – Meeting Wed 25th June, 7.15 in staffroom

The Agenda will include discussion around what spending the P&F will approve this year. Suggestions to date include:

- Per class amount to assist with class budgets;
- Existing Farm Science program
- Upgraded play equipment in early childhood area (near oval)
- Play equipment in old terrapin area
- Outdoor seating/tables;
- 2nd outdoor basketball ring
- Replacement Hagley representative team shirts (athletics/cross country),

To have your say on where our hard-earned fundraising $ are spent, please come along to the meeting this Wednesday.

SAUSAGE SIZZLE LUNCH – FUNDRAISER FOR CHAPLAINCY PROGRAM

We will be having another sausage sizzle on the last day of this term, Friday 4th July. Funds raised from this event will go to help make up the shortfall in our funding for the school Chaplaincy program. Pete will be cooking the sausages, with some student helpers. If you are able to come and help, please contact the school.

Sausages are $2.00 each. If your child/ren would like to order a sausage (or two), please complete the order form in this newsletter and return to the office.

We hope to be able to run an event next term with Pete’s son Matthew Garwood performing for us. We are waiting to confirm Matthew’s availability and will let you know more details next term. As always, thanks for your support of this important program.

Sharyn Cook and Pete Garwood

---

SPARE CLOTHING

We have a small stockpile of spare clothing for children who require a change of clothes. This has gradually dwindled away over the term. If your child has borrowed any clothing from school, please return it before the end of term.
NEWS FROM THE LIBRARY

Premier’s Reading Challenge

Each week during the Premier’s Reading Challenge six students from around the state, who have submitted an online book review, are lucky enough to win a book voucher. We are excited to announce that Chanelle Colgrave (5/6J) is one of the winners from the first round of prizes. Chanelle’s review was of the book War Horse. If your child would like to submit a book review, just visit the webpage for more details – the web address is on your child’s reading log.

Readers’ Cup

Good luck to our Readers’ Cup team as they head off to the interschool final at East Launceston Primary School tomorrow night.

Library Bags

If your child has borrowed a spare library bag in the last few weeks can you please ensure that it is returned to the library as soon as possible. Donations of plastic or cloth bags are gratefully accepted.

Happy reading from the library team, Mrs Marston, Mrs McQueen and Mrs Shean

KIDSMATTER

To help prevent cyber bullying, KidsMatter encourages parents to:

- Communicate with your children. Communication continues to be the key to a successful relationship. It helps you learn about what's happening in your children’s lives and address any concerns such as cyber bullying.

- Talk to your kids about what they’re doing online. Children benefit from assertive parents who actively monitor their technology use. Just like in the face-to-face world, the younger the child, the more supervision they require in the digital world.

- Reinforce your values. Think about the digital world as an extension of the face-to-face world and encourage your children to match their offline values with their online behaviour.

- Keep up-to-date with current programs and apps. Choose programs and apps that look good and use them with your children. Talk to your child’s school and other parents about what they are doing.
Merit Certificates

Early Childhood: Saxon Mills, Shelby Steward, Hunter Palfreyman, Meika Donnelly, Gus Chapman, Bella Hingston, Chloe Gibbins, Zane Graham, Caitlin Martin, Eve Bolin, Mercedes James, Ryan Atkins, Ariana Sullivan, Mitchell Baker, Claire Kirby, Mahalia Clarke

GT4GC:

Early Childhood: George O’Conor, Piper Lowe, Jessica Gray

Class Bag Area:

Early Childhood: 1/2 Moore, Prep Morgan
