From the Principal's Desk

Dear Parents/Carers,

Cross country
Congratulations to all involved in our rain delayed event last Thursday. All reports indicate a high level of participation and some great leadership from our senior students. Congratulations to the approximately 40 students who will attend our Northern Midlands carnival this Thursday. All the best for a great day!

Report writing
Teachers are busily writing midyear reports currently. These will be sent home in the last week of this term.

Professional Learning
We have focused on Differentiated Instruction this week with an excellent session lead by Sharyn Cook, Tony Donald and Katrina Steriovich. The session also included our highly skilled Teachers Assistants and was focused on developing a whole school definition and understanding of differentiation which is essentially making the adjustments to personalise learning which reflects the needs, strengths and interests of students.

Kind Regards,
Mick

KINDERGARTEN ENROLMENTS 2015

I know it seems a long way ahead, but we are now beginning to collect information about students who will be coming to Kindergarten in 2015. If your child is 4 years old by December 31st they are eligible to attend Kindergarten next year. We are asking parents to fill in an Application for Enrolment form for 2015. This indicates to us that you are intending to send your child to Kindergarten at Hagley next year. These forms are available from the school office.

If you have any questions about Kinder or our Pre-Kinder sessions, please contact me at school.

HAPPENINGS AT HAGLEY
Prep Morgan
In May, Aunty Dorothy Murray and Lynne visited Prep Morgan. Aunty Dorothy is a famous Shell Stringer and she showed us how to string tiny rye shells. She talked about her life on Cape Barren Island. She and Lynne helped us make a kelp basket each. The kelp baskets were used by the Tasmanian Aborigines to carry water. We also did ochre hand prints and made a beach mobile. We learned a lot and really enjoyed having two such interesting visitors.
ELECTRONIC DEVICES AT SCHOOL

Just a reminder that students who bring mobile phones, iPads etc to school need to check them in at the school office at the beginning of the school day and then collect them on the way to the bus. We appreciate families’ support with this issue.

UNIFORMS

It has been fantastic to see virtually every student wearing their school uniform this term. Thank you to all the parents and carers who ensure their children turn up dressed appropriately – an increasingly difficult feat as we head towards winter. The sense of belonging and connectedness engendered by the wearing of a school uniform cannot be overestimated.

RETURN OF THE FUN RUN!

After an absence of a number of years, the Fun Run makes a return in 2014. At the end of last term the School Parliament looked at a Fundraising schedule for the year and nominated a Fun Run as their preferred option for Term 2. Traditionally the Fun Run has raised money for Mbaye-babacar, our sponsored child in Senegal, and for extra P.E. equipment. With the advent of the Coles and Woolworth rewards, the need for such extras are much less pressing, so the School Parliament has voted that the rest of the money raised goes towards the purchasing of the basketball rings in the gym. The cost of the rings is around $6 000.00 so we need every student in the school to do their best with their running and their sponsors.

Our Fun Run will take place on Thursday, June 26. Each class pals up with their buddy class, dresses up in a theme that the two classes vote for, and does as many laps as possible in 30 minutes on the Fun Run/Obstacle Course on the school oval. Students can either be sponsored per lap run or collect donations from their supporters. Sponsorship and information forms will go home with the newsletter next Tuesday. All students from Kindergarten to Grade 6 will be involved. All family members and friends are invited to come along to watch and join in the fun. A timetable of when each class is running will be published in the newsletter prior to the Fun Run.

Kind regards,
Patrick Fleming, AST

STUDENTS IN THE SPOTLIGHT

We have had several students competing in the Launceston Competitions over the past couple of weeks. Jade Graham, April Beams and Kealey McHenry competed in a dance section representing Hagley Farm School. Kealey placed 1st and April and Jade achieved equal 3rd. They all had great fun.

Sam Clarke attends Launceston Youth Theatre Ensemble on Tuesdays after school. Yesterday they competed at the Launceston Competitions in the Group Speaking section, reciting works of Roald Dahl and Dr Seuss. Sam’s group came first!!

Congratulations to these students who have competed in the Launceston Competitions and best of luck to any children who are participating in upcoming sections.

**SCHOOL BANKING REMINDER TO ONLY USE TOKENS COLLECTED IN 2014**

Even though the appearance of the token has not changed, unfortunately last year’s tokens cannot be counted towards earning a reward in 2014. The reason for this is because the bank’s computer system now records the number of deposits each student has made and it actually will not allow us to order a reward for a student until they have made 10 deposits this year.

The School Banking team would really appreciate it if you are able to count the number of receipt butts dated this year before requesting your reward.

Please call Sarah if any questions.
