From the Principal’s Desk

Dear Parents and Carers,

Olde Classroom Repairs
Substantial cracking in the southern wall of Olde Classroom will hopefully be rectified soon as part of the Education Department’s minor works program. It is the 150th celebration next year of this building and education on this site. Our celebration planning committee has met twice now and we will share details once the timeframe for the refurbishment is known.

Excellent Naplan Testing results
I am pleased to report that we have achieved some excellent results in our recent Naplan testing. Year 3 Persuasive Writing results had 100% of students at or above the national minimum standard and our mean score was above the state average. In Year 5 Numeracy we were above the state mean score by 5 points and a huge 44% of our students showed relative high gain from two years prior. Also our Year 5 reading, writing, spelling, grammar and punctuation were either at or above the state score and significantly better than the similar school score. Certainly worth celebrating and recognising the great work of both students and teachers.

Kind Regards,
Mick

SCHOOL SATISFACTION SURVEY
This year, school satisfaction surveys for students, parents and staff will be conducted during September. These surveys contain questions on a range of matters about our school.

This survey provides an opportunity for students, parents and staff to provide important feedback. This feedback is valued by our school as a means of identifying what the school does well and opportunities for the school to make improvements.

Students (from Year 5 and above), parents and staff will be invited to participate. Those students who are selected to undertake the survey will do so during school time.

You will receive a letter in coming days if you have been selected to participate in the parent survey.

Your responses will be secure and anonymous.

We encourage you to participate and complete the survey so that the school has a clear direction when planning for future programs and services for students.

Please contact the office if you wish to use a school computer to complete the survey.

**BUSHDANCE TICKETS**
Bushdance tickets will be sent home today with your child. Please ensure you bring these with you on Friday evening – along with an appropriately ‘bushy’ costume. If you are participating in the barbecue please be here by 6.30; the ‘dance’ part of the Bushdance commences at 7.00 and finishes at 9.00.

**NAPLAN RESULTS**
Also being sent home today will be the student NAPLAN results for all Grades 3 and 5 students who took part in the testing program. At the same time the classroom teachers involved will have received school-level reports which will assist in future planning at the individual, class and school level.

**KINDERGARTEN ENROLMENTS in 2015**
Just a final reminder for those parents/guardians who wish to enrol their child in Kindergarten at Hagley for 2015 to contact the school to receive the appropriate enrolment forms.

*Kind regards,*

*Patrick Fleming*

**BELLA’S TRIP TO THE TRANSPLANT GAMES**
Hi my name is Bella

When I was 5 years old I had to have a lifesaving liver transplant. I was lucky enough to get a new liver; I was very fortunate that someone donated a liver for me.

I was in hospital for about a year. When you have that disease your skin goes yellow and your eyes go yellow. Now I am a very healthy girl!

I am going to the Transplant Games in three weeks. I have been practising a lot of things. The games are held in Melbourne this September/October.

The events that I am doing are the 25m Breaststroke, 25m Freestyle, 25m Backstroke, Ten Pin bowling, Scrabble, 50m and 100m Running Sprints, Ball Throw and Long Jump.

The Transplant Games go for 2 weeks. I am going to the closing ceremony and the parade. I am looking forward to meeting new friends from different countries.

Thank you for donating money for the Lolly jar fundraiser. We raised $271.50.

From

Bella

STUDENTS IN THE SPOTLIGHT

Jak — Cyclecross
On the weekend Jak Oxford competed in the St Lukes Health Cyclecross State Championships at Grindelwald. This competition is held on a short course containing obstacles, mud, water and hills. The competitors ride a bike similar to a road racing bike with mountain bike wheels. Jak competed on his mountain bike. He competed in the Under 18 boys competition and finished 2nd. A fantastic effort for an 11 year old.

Holly — Singing
Opera Australia are coming to Launceston as part of their 2014 Regional Tour, to perform Mozart’s The Magic Flute.
Holly McNama and GLYS (Greater Launceston Youth Singers) will be joining Opera Australia to perform this professional stage production alongside some of Australia’s finest opera singers, musicians and directors. The children have been rehearsing for many months under the wonderful guidance of Cherie Partridge and Denise Sam. The Magic Flute will be performed in Launceston at the Princess Theatre on Wednesday September 17th. Well done Holly. Break a leg!
