Dear Parents and Carers,

Welcome BBQ and Classroom Information Sessions
Many thanks to all parents and carers who took the time to come along last night. Numbers were high and we received very positive feedback on the value of the evening. Our P&F President Olivia Johnston and her team were kept very busy producing 400 beautifully cooked sausages for all.

Lead Teacher Agricultural Education
Mr Andrew Harris in his new role has been inundated with requests for support from a wide variety of farm schools across the state from Wilmot to Exeter to Dover and many in-between. His work includes supporting the implementation of the Technologies Australian Curriculum (Food and Fibre), learning unit development and risk management planning.

School's Anniversary
We have a number of anniversaries at the school this year. The first being 160 years since our school first opened. The first ten years were on another site in Hagley, with 150 years on the current site. The Old School House turns 150 this year. A committee has been formed and we have a number of activities planned throughout the year, we will keep you updated as the year goes on. One factor that is influencing our planning is the schedule of works to repair the structural problems with the Old School House. Tenders have closed for the project and we will know shortly who has been successful and when work will commence. The last anniversary celebration we had was ten years ago, and this was for the 150th Anniversary of the Hagley School opening.

Kind Regards,

Mick

LIBRARY NEWS

Cup Day – If your child’s library lesson falls on Cup Day tomorrow, they are most welcome to bring their book/s back on Thursday to swap them over. They may do this before school, at lunch time or at 2.30.

Parent Library – A reminder that we have a small parent collection which families are welcome to borrow. Topics include behaviour management, autism, ADHD, personal development, anxiety, reading, building resilience in children etc.

If you would like to arrange a parent library card please pop in to see us or send a note along with your child. Parents are welcome to borrow from the general collection as well.

Thank you – Thank you to the families who came along to visit the library during the Welcome Back BBQ yesterday. It was lovely to see children proudly giving their family a tour of the library. A special thanks to Michelle Clarke for her time and effort letting people know that the library was open.

Our sincere thanks must also go to Caroline Clarke and Maree Smith for the volunteer hours they contribute to our library. Between them they account for almost all of the book covering that we need to do, which is appreciated by staff and students alike. There’s nothing quite like being the first person to borrow a newly covered book.

Happy reading from the library team – Jessica Marston (Teacher-Librarian) and Martha McQueen (Library Technician)
