Dear Parents and Carers,

Leadership Positions
Congratulation to all students who have been appointed to our various leadership positions. In particular our Premier, Hollie and Deputy Premier, Alex. Many thanks to our Prospect High Student Leaders who attended to assist with the presentations at last Friday’s assembly. They shared their wisdom and perspectives on leadership, which also plays a significant role in the life of Prospect High.

Agricultural Centre of Excellence
The centre has had a very busy start with Andrew Harris (Lead Teacher) responding to requests for support from schools right across the state. He has already visited farm schools in Dover, Exeter, Sheffield, Wilmot and Yolla. Andrew and I visited Canberra on Sunday and yesterday to meet with the Primary Industries Education Foundation Australia (PIEFA). We are part of a nationwide group of schools (12 only) who are trialling and developing learning resources to meet the requirements of the Australian Curriculum Technologies domain which focuses mainly on Food and fibre in our setting. This network and associated work will be very useful, not only for our school, but for others across the state.

Grade 3/4 Camps
Loads of excitement at our first camp for our Grades 3/4s this week! Some great learning and fun to be had for all. A special thanks to Mrs Lauren Beams for her hard work with organisation and to all teachers involved (including the Environment Centre staff) for their commitment to the many extra hours of work associated with the program!

Kind Regards,
Mick

School Chaplaincy Program 2015
As you may know, current government funding for the school Chaplaincy program ended at the end of last year. Schools were asked by the Department to write a submission for further funding if they wished to continue a chaplaincy program this year. Unfortunately, our submission was not successful, and so we no longer receive government funding for this program.

Due to our wonderful fundraising efforts last year, and the generosity of some community donations, we have the capacity to employ Pete Garwood as our School Chaplain one day a week this year. The school will need to contribute some funds to support this program, and there will also be a sausage sizzle or two to help meet the funding requirements.

The decision to employ Pete needs to be endorsed by our School Association. Part of that process is to ask parents for their opinion.

Therefore, we are asking parents to indicate whether or not they would like this program to continue in our school. You can respond either through reply email, or by using the form on this newsletter (pg 4).

If you have any questions or would like more information about our school chaplaincy program, please contact me at school.
