From the Principal's Desk

Welcome Back to 2015
It seems to come around that little bit quicker each year. We had a successful Professional Learning Day on Monday, working with colleagues from Summerdale Primary School and Deloraine Primary School. The focus was on a whole school approach to learning interventions, under the umbrella of the work we are building around Professional Learning Communities. It involves groups of teachers regularly planning and assessing collaboratively to support the learning of all students more effectively.

We look forward to a highly productive 2015. Thankyou for your support in having students all ready for learning and I look forward to catching up at our Welcome BBQ and Classroom Information Sessions. The likely date and time for this will be Monday 23rd - we will confirm arrangements in next week's newsletter.

New Staff
A big welcome to Lauren Beams who has been appointed as our substantive Advanced Skills Teacher (AST) replacing Patrick Fleming. Lauren will be a great addition to our team and I know she is keen to meet as many of you during the start to the year as possible. I am also pleased to welcome Howard Oswin who will replace Andrew Harris (appointed Acting AST of the Agricultural Education Centre of Excellence based at Hagley Farm School). Howard has had a great deal of experience and joins us from his most recent school East Tamar Primary School.

School Chaplaincy
Unfortunately our submission for the continuation of a School Chaplain role was unsuccessful which is extremely disappointing for our school community. We are exploring options to secure Pete Garwood for one day a week so that he can continue his work in supporting students and their families. Pete is currently on sick leave and we wish him well in his recovery.

Kind Regards,
Mick

Launching into Learning – Pre-school Programs

Our pre-school programs, including the toddler group and pre-kinder sessions, will be run under the Launching into Learning program this year. As in the last few years, these sessions will run on Fridays. They will begin in the next few weeks.

Mrs Sarah Cleland will co-ordinate and lead all our Launching into Learning sessions this year.

We will let parents know dates and times as soon as we are able. In the meantime, if you are interested in attending a session, please ring or email the office with your details so we can make sure you get information.

Swimming in P.E. Lessons

Please note that swimming commences next week in your child’s P.E. Lesson.

A consent form to enable your child to swim is being sent home today with each child from Prep - Grade 6.

This form must be returned before your child will be able to take part in the swimming program.

Please return to your child’s teacher by Monday morning.

Parents & Friends 2015

This year P & F meetings will be held every 3rd Wednesday at 3.15pm, and we would love to see some new faces (venue to be confirmed).
