From the Principal’s Desk

Dear Parent and Carers,

STUDENT ABSENCE
Just an important reminder to parents that it is requirement for you to communicate with the school if your child is absent. You can either ring or email the school if your child is away for any reason. Teachers and office staff will ring if students have unexplained absences and you will also receive a Departmental letter after 5 days of unexplained absences. Every day at school is important!

NAPLAN
Congratulation to students for their application and perseverance during our Grade 3 and Grade 5 National Literacy and Numeracy Testing. Thanks also to Mrs Beams, Miss Cook and class teachers for their excellent work in preparation for NAPLAN to give students the best opportunity to perform to their best. NAPLAN testing offers “point in time” test results which are valuable alongside the whole range of other assessments which are carried out through the year.

CANTEEN NEWS
Mrs Robyn Shean has decided to leave her role in the canteen. Robyn has taken Long Service Leave and will finish at the end of term. On behalf of the school community, I would like to sincerely thank Robyn for her commitment to the Canteen Manager’s role for over a decade and a half. She has made a fantastic contribution in other roles as well. We wish her well in her range of other pursuits. The staff will have a farewell function later in the term for Robyn. The P&F canteen committee will manage the canteen during Robyn’s Long Service Leave, and are developing a process to appoint a replacement.

Kind Regards

Mick

Department of Education
Hagley Farm School
**2015 HAGLEY SCHOOL CROSS COUNTRY**

The Hagley School Cross Country Carnival will be held tomorrow commencing at 11:30am. It is hoped that we will have 100% participation from students, which is the main aim of such an event. It is essential that as many students as possible from each house participate, as the scoring system allows for even the last place getter to score a minimum of ten valuable points for their house; therefore, all efforts are rewarded. There is no house competition for Kinder, Prep, Grade 1 or 2 classes.

Correct PE gear, including: shorts, shirts/singlets and running shoes (plus a second pair of shoes to change into if the course is wet or muddy), are essential. If possible students should wear a shirt or singlet that is in their house colour. Students should also bring a warm jumper, hat and coat in case of inclement weather, and a large drink. A timetable of events is provided below. **Note – no event will start before the advertised time.**

All parents, relatives and friends are invited to attend and cheer on the students. Seating for spectators will be provided, south of the Early Childhood Playground, near the finish line.

If parents have any questions or concerns please do not hesitate to contact us at school.

**Canteen**
The Parents & Friends will be running a bbq for spectators only - Hamburgers $2.50 Bottled Water $1.00

**RAIN DATE**
Should it be necessary to cancel our cross country carnival tomorrow a decision will be made early in the morning. We will place a cancellation notice on our School website and also contact local radio stations asking them to broadcast the cancellation. If the weather is inclement, we will try to run the carnival - a grade at a time, then classes will return to class after their event. We will endeavour to keep to the advertised timetable.

If required the rain date for our school cross country carnival is **Wednesday 27th May**.

CHAPLAINCY 2015
After a slow start to the year, I am glad to be back at Hagley. Most would know how much I love Hagley Farm School and its surroundings. My wife says I would live here!
Many would know that the current round of funding for Chaplaincy programs finished at the end of 2014 and left us with no government funding. With some left-over donated money from last year and some support from the school, we were able to find enough funding to keep the program going for one day a week this year. Over the Christmas break I went to Melbourne to have some heart surgery, which also contributed to a slow start to the year.
However, it is now all systems go and I am at Hagley every Wednesday. On other days, I work at Prospect High School and Mowbray Heights Primary school.
This is my sixth year here as Chaplain and every year, I add to my list of students and families that I support. I spend my day at Hagley meeting students as they arrive, working with them in the classroom and chatting to them during recess and lunch times. If someone needs some extra support during the day, to help them get through some hard times, I spend some extra time with them.
Many Staff, Parents and students have been very supportive of my role here. I would like to say thanks for your help and support.

Chaplain

PARENTS AND FRIENDS NEWS
Our Parents and Friends meeting will be held in Kinder Harris tomorrow, Wednesday the 20th at 2pm (change of time so parents can attend and still make after school sport etc.)

Canteen News:
Robyn has put an amazing 13 years into our canteen and is now taking some Long Service Leave and then moving on to new adventures. We would like to thank her very much for the service she provided to our students and we have sent a beautiful bunch of flowers to show our appreciation.

The canteen committee, some staff and myself are taking this opportunity to make a few changes in the canteen and look at canteen accreditation over the next six weeks. Hopefully we will have things sorted and set for Term 3.

For our canteen to become healthier (to achieve accreditation) our menu will need to change so please keep an eye on the newsletter each week for these changes. We will be working on two monthly rotating menus so the children don’t get bored with the food and to keep our food as fresh as possible.

Recess items will be changing too. From this week we will be adding "snack packs" which will include carrot sticks, celery sticks, crackers, cheese and a small tub of hummus for $2.50. Small packets of sultanas, pop corn, vege chips, and seasonal fruit will be available as well as homemade muffins/sweet biscuits/slice. Please keep an eye out for prices as they will fluctuate.

Please don’t hesitate to email or call if you have ideas or recipes you’d like to put forward or would like to volunteer in the canteen, many hands make light work!

AGFEST ROUNDUP:
Thank you again to all those who volunteered to work in the catering van this year. Hopefully you had a few laughs and won’t mind returning for Agfest 2016.

Not our best year this year, but despite a slow day on Thursday and a move to 9th Avenue, our final profit will be around $6000.00.

Special thank yous to Naomi for our soup, Judy @ Westbury IGA for her donation of ingredients, to our wonderful team of homemade bakers (there were only about 3 pieces left!), to Lee, Bill & Harry for set up & pack up and to Pages Transport who got us there on time as usual, thank you.

A HUGE thank you to Brett Mackenzie who has always put in many hours on the van, but this year has been a driving force in finally getting our new brakes & axles completed & installing our lighting with a brand new registration plate to match! Thank you so much Brett for your time, effort & commitment to getting this done! We should also acknowledge again, the support of the Deloraine Community Bank for their earlier $9000.00 grant which covered the majority of these expenses.

Thank you.
Patsy, Toni, Anah & Racheal

NEWSTEAD ATHLETICS SCHOOL CROSS COUNTRY

Runners enjoyed perfect conditions for the 3rd race of the School Series at Clarendon House on the weekend. Hagley have three teams competing in the series which saw students run from 17 different schools on Saturday. Special mention goes to John Cummins 1st in the U13 boys, Austin Brooks 1st and Ethan Arnott 4th in U7/U9 boys and Bridie Findlay 3rd in U/U9 girls.

Round 4 of the School Series is at Queechy High School on May 30th

SOLID STATE CIRCUS

Yesterday we had a visiting performance group at school, after watching the performance Grade 5/6 Johnson did some poetry writing.

Solid State Circus

The Solid State Circus did lots of flips,
They did it with style and did not trip.

Tom was chosen as a volunteer,
When he went up, he showed no fear

The circus crew spun him round
and put him down safe and sound.

Then they built a human tower,
All involved showed great power.

As a final act, they flip and jump away.
We hope to see them perform another day.

A rhyming couplet poem by 5-6 Johnson
