From the Principal’s Desk

Dear Parents and Carers,

Reports
Reports go out next week please see the information included in this newsletter. Please make contact with the teachers of your child(ren) to clarify or expand on any content.

Hagley Farm and Environment Centre Future Directions Workshop
Andrew Harris, in his role as Lead Teacher for Agricultural Education in Tasmania, is hosting a workshop this Friday morning to explore future options for the delivery of high quality educational programs and experiences at the Hagley Farm and Environment Centre. Participants in this workshop will include Friends of the School members. The group will explore the ‘Centre of Excellence’ model for Hagley Farm and Environment Centre as supported under a memorandum of understanding between the state government, DOE and Hagley Farm School.

Grade 5/6 Choir
On Friday Mrs Margaret East OAM and Mrs Gaye Anderson from the Launceston Competition Association attended our Primary Assembly. They presented the choir with their shield for their winning performance at the recent Competitions. The choir performed their winning songs and both ladies were impressed with both the choir and our school on the whole.

Kind Regards
Mick

MID-YEAR REPORTS

Next Wednesday, July 1, you will receive your child/ren’s mid-year reports. In this report, we have provided you with information about your child’s progress in English, Maths, Science, Geography and History. Teachers have also written a general comment about your child for you to read.

For those parents who have received these reports in previous years, you will notice some changes to the format of this report. In the areas of English and Maths, teachers have given your child a rating, as required by the Department, and provided some generic information about their skills at this level. This is a slight change from past years, where we have written individual comments in English and Maths. Teachers have also given you some information about what your child will be focusing on in their future learning.

The purpose of our mid-year report is to provide parents with some information about your child’s progress to date, and identify areas to work on for the remainder of the year. It is a briefer report, providing information about key areas in the curriculum.

Our end-of-year report is a more comprehensive format, with individual comments about your child’s progress in English and Maths, a general comment, and information about a broader range of curriculum areas.

We hope these reports provide useful information for you about your child’s progress to date. As always, please contact your child’s teacher if you have any questions or concerns about the information provided.

GIVE ME 5 FOR KIDS

The School Parliament would like to say a huge thank you to everyone for your support of our fundraiser this term. We successfully raised $1197.50. With $757.30 of this money being collected just in 0.05c pieces! It took us ages to count the 0.05c pieces! Mrs Daalder’s 3/4 class were the class competition winner, collecting a staggering $112.70 in 0.05c pieces, they were closely followed by 1/2 Eyles/Tyers with $105.50! This money goes directly to Tasmanian hospitals children’s wards.

What a great effort Hagley!
