From the Principal's Desk

Dear Parents and Carers,

Congratulations to the 5/6 choir
A huge well done to our senior choir for their outstanding efforts at the Launceston Competitions yesterday in securing a first placing. This is the first time we have participated in the Competitions for a few years and I am pleased to report that the students did us proud, both in their performance and their behaviour. Many thanks to Mrs Cherie Partridge for ongoing excellent work with our vocalists, instrumental and music program in general, which is held in very high regard.

Cross Country Team
All the best to our school Cross Country Team heading to Cressy today to compete in the inter-school competitions. We look forward to hearing how they go.

Early Childhood Cross Country
Fingers crossed that we will be able to successfully run our carnival tomorrow. The weather forecast looks much more promising fortunately.

Sausage Sizzle for Chaplaincy Program
Thanks to all those who were able to participate in this fundraiser to support our school Chaplaincy program. We received many sausage orders, some additional donations and support from the P&F who supplied the sausages, and so made a grand total of $580.00.

Kind Regards

Mick

Last Day of Term 2
5/6 CHOIR
A big congratulations to the Grade 5/6 choir whose performance at the Launceston Competitions yesterday morning was awarded 1st place with a very impressive 90 points. The adjudicator enjoyed the choir’s controlled, well-balanced sound and confident harmonies. There was much excitement in Earl Street when the choir learnt of the result.
Well done choir - I am very proud of you all!

Cherie Partridge
Music Teacher

GIVE ME 5 FOR KIDS CLASS CHALLENGE!
This term we are raising money for Give Me 5 for Kids. All the money raised from this goes to our local hospital children’s wards. We had a very successful Crazy Day raising over $400! Thank you to everyone who participated. This week we are starting our class challenge. All classes will get a container to try to fill with five cent pieces. The class who raises the most amount of money through five cent pieces by the end of term will win a prize!
The Give Me 5 for Kids initiative started by a Gosford radio station putting out the call for people to collect their five cent pieces and bring them into the station to be donated to the local hospital children’s wards. Five cents were asked for as there had been a discussion on air about what five cents were good for and the answer had been not much, you can’t even use them for parking!
Last year over $500,000 was raised by Give Me 5 for Kids, let’s get behind this great initiative and help them reach that total again this year!
You never know we might even become the school champion. If we are the school that raises the most, our students will be invited to present the cheque live on Southern Cross television and the school will win an $8000 advertising campaign with Southern Cross. Imagine the advertising we could do for a school fundraiser with this!
Bring in those five cent pieces today!

PREP/1 MORGAN/ANKIN—KODOMO-NO-HI
On May 5th Prep/1 Morgan/Ankin celebrated Kodomo-No-Hi. In Japan, the children have their own special day of celebrations. We learned some Japanese words, we counted to ten and learned a song. We did some origami and made a carp kite. Here we are ready to try out our kits. Carp are powerful and brave fish and Japanese parents give a carp kite to help their children to be strong and resilient.

Prep/1 Morgan/Ankin
SOLVING FRIENDSHIP PROBLEMS

Children develop friendship skills through playing with other children. Because they are learning, they are sure to have times when things do not go as they would like. Sometimes they blame themselves for what has happened.

They may say: “Nobody likes me ‘coz I can’t run as fast as they can.” Sometimes they blame everyone else for the problem and, like Rebecca, say: “The kids are all mean to me.” Even though they blame the other kids they may still think of it as a problem they cannot change.

How parents and carers can help

First and foremost you can help children by listening to them talk about the everyday joys and troubles that arise out of their friendships. Asking what might have led to others’ reactions can help the child, with your assistance, to think of possible solutions.

Try a problem solving approach

When problems arise in friendships it is important not to blame children but to show them how to find a solution. A problem solving approach is often helpful.

1. Encourage the child to describe what has happened.
2. Ask about how they felt.
3. Ask them how they think the other person might see it and how they might be feeling.
4. Get them to think of ways they could do things differently next time.
5. Encourage them to try the new approach – get them to practise with you so they feel more confident.
6. Check back with your child to see how things turned out.

NEWS FROM THE ENVIRONMENT CENTRE

Over the last few weeks we have had a number of generous donations to our collection in the Activity and Agricultural Museums.

Mr Bob Pitt has donated two bicycles which were made in Tasmania, and a variety of woodworking tools and farm implements.

The Frith family have given us a family member’s wood working tools, which were used in the making of tennis racquets at the Alexander Racquet Factory in Launceston.

Keith Wesley has loaned us the sulky and a set of racing colours used by his father Aub who owned, trained and raced Halwes.

The Environment Centre Staff thanks these generous families and also Warren Kellty who has helped us to display these items.

FRUIT AND VEGETABLE BREAK
Don’t forget that some classes are trialling a fruit and vegetable break, so please plant some fruit or vegetables into your child’s lunchbox.

Move Well Eat Well
Packing a fruit & veg break
Are your children bored with the same snack for their fruit and veg break? Here are some ideas you can try:

- Pack a rainbow: Put different coloured fruit or veg in one container
- Keep it interesting: Try veg one day and fruit the next
- Encourage new tastes: Include a new fruit or vegetable in with an old favourite
- Easy to access, easy to eat: Peel, chop, include a spoon, pack in a separate container to lunch
- Shop by season: It’s often cheaper, tastier and your child gets to enjoy different fruit and vegetables throughout the year
- Keep it safe: Always wash fruit and vegetables before packing

For more information and for family ideas on healthy eating and physical activity visit www.movewellateatwell.tas.gov.au

HOUSE POINTS
This Week
1st Bennett 17 points
2nd Lyttleton 15 points
3rd Dry 12 points

Total
1st Bennett 81 points
2nd Dry 70 points
3rd Lyttleton 68 points

CANTEEN UPDATE
We are streamlining our prices so please be aware there are some changes from this week.

We are proud to support our local butcher, Nathan at Westbury. He currently supplies us with our chicken burgers and hamburgers. We encourage parents to visit this local business and check it out!!

We are currently researching using the Hagley Store soon for our non canteen days. The new owners are happy to offer our children meal deals at reasonable prices. More news on this as it comes to hand.

We also have lactose free milk available now so please ask if your child would like lactose free milk for their milo.

Award Recipients

Merit Certificates

Early Childhood: Mason Nichols, Alfie Wadley, Lachlan Findlay, Piper Lowe, George O’Conor, Bella Hingston, Edan McIntosh, Bridie Findlay, Huntah Stokes, Angus Viney, Sabella Richardson, Beau Henry.

### Lost Property

We have several rugby tops in the office which are un-named. They are larger sized tops, if your child is missing a rugby top please send them to the office to see if we have theirs here. We also have a collection of lost property. **Please remember to name your child's clothing, it makes it easier for us to return it to the rightful owner.**

---

Exeter High School automotive department would like to buy the following car for a school based project.

1985 Toyota Hilux 2.4 Diesel engine or parts especially starter motor, injector pump and water pump, plus an interior parts dash, seats and door trims.

Any parts would be appreciated.

**Please contact:- Nigel Cunningham on 0439 194 545 or contact Exeter High School on 6394 4366.**
