From the Principal’s Desk

Dear Parents and Carers,

Future Directions Group Environment Centre and Farm
The group met again last Wednesday evening. The focus of the meeting was around discussing emerging options for improving the educational experiences offered through the Environment Centre and Farm. Staff have been working on shaping these experiences with Andrew Harris and some exciting options are emerging. We have had encouraging discussions with Dairy Tasmania on providing significant tangible support for the establishment of a high quality learning experience around dairy.

The group also endorsed a proposal from the Farm Advisory Group to engage an agricultural consultant to investigate possible alternative farm activities which will be more financially sustainable and educationally connected. Once the report has been completed, the FDG will meet again to formulate recommendations for the school leadership team. The slide show and notes will be available soon on the school website. At present we are experiencing issues with uploading this information but this should be resolved soon.

150/160 Years Celebrations
We look forward to seeing you this Saturday (10am-2pm) for our Open Day. The new photographic gallery in the old hall will be open, as well as the original classroom and agricultural museum. There will be refreshments and a BBQ lunch available.

Regards,
Mick

WOOLWORTHS - EARN AND LEARN PROMOTION

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Remember to check your handbag, the car glove box or they may be stuck on the fridge. Every little bit helps. Thanks again for all your support!
PARENTS & FRIENDS NEWS

Don't forget our monthly PARENTS AND FRIENDS meeting in Kinder Harris room starting at 2pm THIS Wednesday (tomorrow) we try and keep them short so we don't take up too much time.

A BIG thank you to those who have put their hands up for helping on Saturday at our school OPEN DAY! P&F are still looking for volunteers for Saturday 19th of September to help out with food service and BBQ cooking, many hands mean less work. I'd love to see some Dads on the BBQ! If you have an hour or two to spare please keep us in mind......it's going to be HUGE!

We will also be looking for people to help out with set up/pack down for the Fiesta in the Field coming up in October and BBQ cookers, let me know on the details below if you can help a bit or help a lot!

Cheers for now
