From the Principal’s Desk

Dear Parents and Carers,

Celebrations
The open day on Saturday September 19th is drawing near to celebrate our 150th year on site and 160th year overall all as a continuously functioning school. If you haven’t already, please order a copy of Jenny Walters’ fantastic books - “Hagley School: The First 100 Years” from the office.

School Association
As part of our Future Directions - Environment Centre and Farm Group work, the School Association have written to the Minister to endorse the consultation process and invite him to visit. We will report progress in next week’s newsletter and put the notes of the meeting on the school website. The Farm Advisory group also met last week and are providing advice to the Future Directions group on possible strategies and options.

School Satisfaction Survey
This year, school satisfaction surveys for students, parents and staff will be conducted during September. These surveys contain questions on a range of matters about our school. This survey provides an opportunity for students, parents and staff to provide important feedback. This feedback is valued by our school as a means of identifying what the school does well and opportunities for the school to make improvements.
Students (from Year 5 and above), parents and staff will be invited to participate. Those students who are selected to undertake the survey will do so during school time.
You will have received a letter yesterday if you have been selected to participate in the parent survey. Your responses will be secure and anonymous.
We encourage you to participate and complete the survey so that the school has a clear direction when planning for future programs and services for students.
Please contact the office if you wish to use a school computer to complete the survey.

Regards,
Mick Davy
Principal

HAGLEY FARM SCHOOL APP
We are currently trialling a phone app for the school. Parents need to download the app onto their phones and then they will have instant access to all the school news. We will be uploading the school newsletter, a list of dates to remember, reminders of tasks to be completed e.g. camp payments. It also will be a great tool for notifying the school community of any cancellations or changes to school events. Follow the link on the advertisement and download the app today. Should you require any assistance or have any questions please contact the office.

UNIVERSITY OF TASMANIA CERTIFICATE OF EXCELLENCE CEREMONY
Last Sunday the 30th of August Joseph, Freya, Kael and Neil were invited to the University of Tasmania for the Certificate of Excellence Ceremony for Primary Schools. Neil was absent on the day due to a lovely family holiday he is on. Each school in the North was invited to nominate four students to receive this academic award for excellence. This is the first year the University has held this event. It was part of their 125th anniversary celebrations and they hope to make it an annual event. The students were presented with a certificate and a goody bag before indulging in an excellent morning tea.

They are pictured here with Dr David Rich, Chair of the 125th Anniversary Committee and Professor John Williamson, Dean of Education. Well done to these four students, an excellent achievement of which they can be very proud.
