From the Principal’s Desk

Dear Parents and Carers,

A smooth return
What a great start to the year! A big welcome to Richard Ankin who is our Acting AST, replacing Lauren Beams who is on maternity leave. We also welcome returning teaching staff Rachel Richardson and Carolyn Flower. Joining our Teacher Assistant team, we have Liz O’Conor and Caroline Clark with Mel Bussey also returning to work in our school. We wish them all the best in their roles.

Farewell Farmer Matt
Matthew Johnson has recently won a new position in Bio Security. We wish Matthew all the best in his important new role and sincerely thank him for his decade of service as Farm Manager. Geoff (Pud) Gibson and Andrew Lockwood are currently sharing the role.

Arrival times/ Signing In and Out
We are not able to provide supervision for students arriving before 8.30 am. Parents are also reminded that if their child/children arrive late to school or are leaving early, they must be signed in/out at the school office. Adults visiting the school for an extended period of time eg. parent help, must also sign in and out at the office.

Baby News
We had two additions to our Hagley family over the summer with both Mrs Beams and Mrs Tyers having their babies. Mrs Beams and her husband had a baby boy named Ellis. Mrs Tyers and her family welcomed baby number 3, a little girl called Freya.

Welcome BBQ and Class meetings
Please see the information in the newsletter. The BBQ is hosted by our P&F and is a great chance to meet other parents in an informal setting as well as attend the class meetings to hear about the learning priorities and routines for your child(ren) for 2016.

Kind Regards,
Mick

**News from the Library**

Library lessons have begun this week. It is wonderful to see so many children with their library bags ready and keen to borrow a book.

Children are able to borrow on their library day but can also swap their books over in-between times, either before school or at lunch times.

**Borrowing limits are as follows:**

- Kinder/Prep/Grade 1 – 1 book at a time
- Grade 2 – 2 books at a time
- Grade 3/4 – 3 books at a time (1 for classroom reading, 2 for home reading)
- Grade 5/6 – 4 books at a time (1 for classroom reading, 3 for home reading)

Please encourage your child/ren to develop independence in being organised with their library books by helping them to set up a good routine at home with;

- a specific place to keep library books,
- a way of remembering which day is library day
- a way of remembering that a library bag is essential

**Happy reading from the library team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Martha McQueen (Library Technician).**

“Everyone is a reader – some just haven’t found their favourite book yet.” - Anonymous

**Woolworths Earn and Learn have Arrived**

Last year Hagley earned a large amount of points from Woolworths Earn and Learn program and as a result were able to purchase a number of valuable resources for our work in Mathematics. Here are some students from 5/6 Oswin with the resources in their classroom. Thanks again to the school community for their efforts in collecting the Earn and Learn stickers.

Move Well Eat Well @ Hagley

Hagley Farm School is a Move Well Eat Well School. We want all children to eat well and be active at school every day, which in turn supports their capacity for learning. You can support us by making sure your child has some fresh fruit and/or vegetables each day for a snack and by packing a healthy and sustaining lunch. During the morning block each class will incorporate a fruit break into their program.

Here are some students from 2K enjoying a diverse range of delicious fresh fruit and vegetables. This website is a fantastic resource with ideas on healthy lunches, best drinks for children and ways to help children be active.
