FROM THE PRINCIPAL'S DESK

Hello everyone,

Congratulations to the grade 5/6 participants in the Country Gold trials last Friday. Being a representative for our school, and our region, is really aspired to by many of our grade 5/6 students. The students involved in the trials tried their absolute hearts out and showed great sportsmanship, respect, courage and aspiration. From this week the squads will be training – aiming to be a part of the team for Hockey, Soccer, Australian Rules Football, and Netball. Our school has put some high expectations around respectful behaviour and learning for the Country Gold team members. The final representative team will reflect members who have consistent behaviours reflective of our school expectations of Being a Learner, Being a Friend and Being Safe.

Thank you to the volunteers who will be supporting our teams over the next weeks as coaches and managers. This is a huge commitment, and we really appreciate their time and effort to help our Country Gold Carnival continue for 2020.

Recently we have had a significant number of students needing to go home during the day because they feel unwell. Thanks to the parents and carers who are quick to come into school to pick up the unwell students. However, it is really important that if children are displaying symptoms of being unwell in the morning, have a temperature, a cough, a runny nose etc, they should not come to school. We are trying hard to keep our school free of any sickness – and we need your help to do this. Of course, we still have a strong focus on attendance for our students, but unwell is unwell - and we encourage you to keep them home when they are displaying symptoms that could be contagious. Thank you.

How wonderful it has been to begin school assemblies again this term. It is such a joy to see our students and teachers back together, celebrating their work together, recognising their successes, congratulating them for their focus on our school expectations and values. We have certainly missed being able to join together like this over term one and two. It has been lovely also to welcome the few parents who have joined us for these assemblies. Of course we need to continue our focus on physical distancing, so only a few adults are able to be in the space with us – but we really love seeing and welcoming the few parents that we can have with us.

Kind regards

Jeanagh

VALUE OF THE MONTH – COURAGE

A reminder to the school community that our value of the month for August is Courage. This week please ask our students which member of the school community they will go and speak to when they need to be courageous and ask for some support, advice or assistance. It is of extreme importance to us that every one of our students has an adult here at school that is important to them who they can go and speak to when support is required. Please ask our students who that person is and how can they help them.

SCHOOL CAR PARK SAFETY

To ensure the safety of those who use our school car park we remind all drivers that the speed limit in our car park is 10km/hr. Also as the signage below states we need to give way to our school buses to assist with safe travel for our students to and from school each day. Thank you for your assistance with these matters.

FRIDAY AFTERNOON 5/6 SPORT

Well done to all of our students who represented our school with pride at the Country Gold tryouts last Friday, we are proud of the effort everyone put in. This week for 5/6 Sport we play OLOM here at Hagley. OLOM have a Football and Netball team that will play our teams, while our Hockey and Soccer teams build their skills and enjoy a game here at Hagley. Please remember that we are still unable to have spectators at this game due to COVID restrictions.

ASSEMBLIES TERM THREE

It was great to see some parents come to our assemblies last week. Thank you for your understanding and compliance with our new Covid safe procedures. Our Early Childhood assemblies are on Thursdays at 12pm and our Primary assemblies are on Fridays at 11:10am. Both assemblies are held in our school gym. Please check the newsletter weekly for information about host classes.

Please remember to arrive 5 minutes earlier than the start time to complete the COVID Visitor Health Check Form at the entry to our assembly, so there is no need to go to the office first.

GRADE 6 LEAVER'S POLO SHIRTS

Last week grade 6s were given a notice regarding their Leaver's shirts. We are offering grade 6s a polo shirt this year which will be able to be worn from the beginning of Term 4. Orders need to be returned to school by Friday 14th August and payment is due by the 21st August to allow time for our order to be completed before Term 4. Additional order forms can be collected from the school office. Orders can also be done through the Qkr! App.

FOR SALE

We have recently replaced the windows in our accommodation hostel and have a variety of sizes and shape of window to give away. We would prefer they were taken as a complete set. Please contact the school on 6392 2272 for further details or if you are interested.

STUDENTS IN THE SPOTLIGHT

Isabella, Grace and Lucy are loving playing hockey with Queechy Penguins Hockey Club. The club is seeking junior players so if your child would like to join them, more information can be found by contacting Maree Smith - qphc.secretary@outlook.com or 0418 134 567.

School Banking is a great way to practice regular savings

Remember, **Friday is School Banking day** and students can bring in their weekly deposit.

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Remember, there is no minimum deposit with School Banking, you can send in as little as 5c per week, saving regularly is what is important.

For every deposit made at school, students will receive a Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of \$5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

If your child has lost their book, please contact your School Banking Co-ordinator for a replacement or visit any Commonwealth Bank branch.

Thank you for supporting the School Banking program at Hagley Farm School. We would also like to thank the wonderful parents who volunteer as our School Banking Co-ordinators and process our banking every week.

If you would like to know more about School Banking, please ask for a 2020 School Banking program information pack from the school office or visit www.commbank.com.au/schoolbanking
