FROM THE PRINCIPAL'S DESK

Hello everyone,

It was a really positive start to our term yesterday. The majority of our students were with us at school, and excited about being back for learning. This is a really busy term, and we began with our Grade 3s, 4s, 5s and some 6s involved in their Swimming and Water Safety Program that will go for the next fortnight. These lessons are a compulsory part of the Health and Wellbeing Curriculum for these grades. We are very lucky to have the facilities at our school to focus on water safety for our students. This year our students will not be able to participate in further swimming lessons as other schools are using our pool facilities for their Swimming and Water Safety Programs. This has come about due to the earlier closures of pool facilities and the current need for DoE students to have access to this program.

Late last term I wrote about the ongoing restoration of our Olde Classroom. At the end of the term we discovered that there was much more water retention within the bricks of the building than we knew of. To alleviate this issue, and to dry out the building, means a very significant removal of the interior and exterior plaster and paint.

This process has been so exciting and wonderful to watch as the original building is emerging. We are describing the process as stopping the building's death and bringing her back to life. There has been significant damage done to the building over time through the works that have occurred that have not had a heritage focus to her ongoing life. From this time forward we are committed to only doing work that preserves and enhances her heritage.

We are very interested in learning more about the history of the building. The stripping back of the interior has shown so many parts of her timeline. But there is so much we do not know.

We are interested in learning so much more. Do you know of someone who went to school in the Olde Classroom? We want to hear from people who can tell us first hand stories of the classroom and the history of the changes. We are very happy for former students to visit and reminisce within the building while we record their memories. Please contact me through the school office if you are able to help us learn more.

Kind regards

Jeanagh

SCHOOL HATS

During Term 4 hats are a required part of our school uniform. Well done to those students who returned to school yesterday with their hats. The school approved styles can be purchased from the school office for \$8. All school uniform items can be ordered through the QKR! App and will be sent home with students, alternatively they can be ordered and paid for over the phone by calling school on 6392 2272.

GRADE 6 LEAVERS TOP

These tops have been distributed to all students who ordered a top last term. We ask that these be named at the earliest opportunity to assist with returning tops to their rightful owners.

STAS

The Tasmanian Government has announced the expansion of the Student Assistance Scheme (STAS), which waives the cost of Tasmanian Government levies for eligible students, for the 2021 school year.

The eligibility for STAS will move to using the Health Care Card or equivalent as the assessment mechanism, replacing previous income thresholds that applied.

Further questions about STAS or Levies and Charges in general can be sent to the Department of Education's Financial Services Unit at stas@education.tas.gov.au or by calling 1800 827 055.

LAUNCHING INTO LEARNING

There has been some slight changes to the delivery of this program for Term 4. We are delighted to be able to offer a Birth to 4 years outdoor playgroup in the kindergarten playground at 12.00pm on a Friday. Our Pre-kinder sessions will be on a Wednesday at 9.00am, Friday at 9.00am and 10.30 am. Bookings still need to be made for all sessions. Further information and the booking links can be found at the Launching into Learning—Hagley Farm School Facebook page.
