FROM THE PRINCIPAL'S DESK

Hello everyone,

As we enter week 2 of our final term for 2020 we are already in full swing, with lots of deep learning occurring. Planning is underway for many term 4 events and celebrations. We are planning our events very carefully to ensure that we are complying with the COVID plans set by the school and the Department of Education. This means many of our end of year events will still go ahead, but restrictions on how our school community interacts will need to be implemented. Last week we published a letter from the Minister for Education and the head of the Education Department outlining their continued strategy in relation to COVID planning in schools. We would like to thank everyone for continuing to support COVID related restrictions in our school, with the safety of our school community being at the forefront of all of our planning.

Class Placements 2021

In this week's newsletter you will see information related to the process of making a request for class placements for 2021. These requests will only be considered if put in writing and must be made using the appropriate form. These requests must be educationally based. We will do our best to meet your educational requests, and where this proves challenging we will discuss this with families.

Book Week

We are very lucky to have some exciting events happening both this week and next to celebrate Book Week. As with many other school events, efforts have been made to ensure that the school community can be involved via online platforms. The buzz amongst the students suggests that they are looking forward to

dressing up and celebrating something that we value hugely at Hagley – BOOKS! A huge thanks to Mrs Marston and her helpers for making Book Week a special event at Hagley.

Sun Safety at Hagley

In Term 4, it is compulsory for students to wear their hats. If students do not wear a hat, they will be asked to play in an undercover area for easy supervision and sun protection. Don't forget to name all hats!

Professional Learning Day

Please note that there is a Student Free, Professional Learning Day on Friday October 30th. Teaching staff will engage in a full day of Professional Learning, reflecting on our focus areas for this year and beginning to plan for our priorities for 2021. These days are very much appreciated by our staff, giving us an opportunity to work together.

Kind regards

Richard Ankin

SCHOOL ASSOCIATION MEETING

There will be a meeting tomorrow Wednesday 21st October commencing at 7.00pm. This will be a workshop focussing on the roles and responsibilities of the association committees and sub-committees rather than a formal meeting.

UNIFORM SHOP ORDERS

Now is the time to start thinking about uniforms for 2021. You can order and pay in full for your next year items using the Qkr! App. For those families who would prefer to order and only pay a deposit we have included an order form in today's newsletter.

LAUNCHING INTO LEARNING – BOOK WEEK

This week is Book Week! We invite our Pre Kinders to come dressed as their favourite book character to their Pre Kinder session. This is completely optional. Please don't go to any expense. We will read one of the short listed stories. Looking forward to seeing you all on Wednesday and Friday!

FOOTY COLOURS DAY– THIS FRIDAY

This Friday come dressed in your favourite team's colours. Students still need to wear their school uniform with sports colours over the top such as scarves, hats and guernsey etc. Colours can be for **any** sporting team you follow- soccer, AFL, rugby league, netball etc.

This is **NOT** a fundraiser but a chance for students to celebrate wearing their favourite team colours with pride.

Classes for 2021

We are now looking at class structures for 2021. If your child will **not be attending** Hagley next year, can you please let us know as soon as possible, as this will impact on our class placement procedures.

The Process

Teachers share information related to each students' academic and social needs which is used to create classes.

Students have the opportunity to provide information about other students they may wish to work with next year.

Where possible, students will have at least one nominated friend in their next year's class.

If parents have any relevant educational information they wish to share, this must be in writing on a 'Request for Class Placement' form available at the office.

To receive one of these forms, please fill out the request slip contained in today's newsletter or request one via email.

Students have the opportunity to identify friends, and so parents do not need to list these on the form.

Forms should be completed and forwarded to the Principal by Tuesday November 3rd.

Things to remember

Only written requests will be considered.

If you have a particular request, it needs to be submitted each year. Please do not assume that we will remember or continue a request made in the past.

Do not assume that a particular teacher will be teaching a certain grade next year – there is every likelihood that there will be changes for 2021.

Class structures and combinations may well be different in 2021 than this year.

Please note that while parent requests are considered, it is not always possible to meet a request. The Principal will contact you to discuss your request if necessary.

Notification

Class placements are notified to parents with booklists, which will be sent home in the last week of term.

The only review of a student's class placement that will be considered is where a parent believes the above processes have not been followed. Any changes after classes have been finalised only occur in extreme circumstances, as any change may have implications for other students.

Please contact the Principal if you would like further information.

NEWS FROM THE LIBRARY

It's Book Week!

Scholastic Book Fair - Our Book Fair started yesterday with students viewing the books, and making a Wish List to share with you. We have created an "online catalogue" where you can see all of the items available in our Book Fair, along with information on how to pay. (You can either send money along with your child or complete your payment online). [Click here to access our Hagley Farm School Book Fair page.](#)

Book of the Year - Classes are celebrating the shortlisted Book of the Year books and the Book Week Theme; Curious Creatures, Wild Minds, at various locations around the school. Lots of classes are spending time with their buddy class for these activities. Photos will be added to our [Library Sway](#) throughout the week.

The Book of the Year titles have been voted for by students and as is most often the case, we differed quite a lot from the "official" judges' decisions, which were announced on Friday. To see a complete list of the [Book of the Year Winners and Honour Books in all categories please click here.](#)

Our Early Childhood students really enjoyed this year's shortlist – with their favourite clearly being *Bat vs Poss*.

My Friend Fred was the official Winner in the Early Childhood Book of the Year Category, with *Hello House*, *Goodbye House* and *When Billy Was a Dog* named as this year's Honours Books (runners up).

Next week we will share the Primary classes' voting results in the Picture Book of the Year section.

Book Parade - A reminder that our Book Parade will be held next week on Thursday 29th October at 9.15am. This will be live-streamed and recorded, as we will not be able to have an adult audience due to COVID-19 restrictions. If your child needs some help with ideas for a book character, please remind them to see Mrs Marston or Mrs Shean. There will be lots of suggestions on our [Library Sway page](#) over the next week as well.

Happy Reading from the Library Team; Mrs Jessica Marston (Teacher-Librarian) and Mrs Robyn Shean (Library Technician)
