Thursday 1st- Professional Learning Day
(no students at school)

Friday 2nd - Tuesday 6th - Easter Break

Wed 7th– Tues 20th - School Holidays

Wed 21st - 1st day of Term 2

FROM THE PRINCIPAL'S DESK

Hello everyone,

Welcome back to Hagley Farm School for 2021, and a very warm welcome to our new students and families.

It was very exciting this morning to see so many families come in to meet new teachers and see new classrooms. Students were mostly keen and eager to be back at school, catch up with friends and begin their new grade. It was fabulous to appreciate the sea of blue as everyone arrived in full school uniform, looking very smart and proud of our school. A number of students had the addition of the new navy socks as a part of their uniform – which looked very smart. This is a change in our school uniform policy, which is transitioning through 2021. Navy socks will be the expected colour at the beginning of 2022. Parents, please make sure that uniform pieces are named clearly – we have a huge amount of lost property that is not named each year. A reminder that hats are necessary to be worn in our playground and during sport in term 1 and 4.

Overleaf is a map of our staff and parent carpark. Please take note of the arrows and markings for moving through it. For everybody's safety it is essential that cars always follow the arrows. Additionally, please ensure that pedestrians do not walk behind parked vehicles as we have had several incidents where children have been only narrowly missed by reversing vehicles. Pedestrians must walk either on the grassed area or the pedestrian saffeway.

During the holidays extensive upgrades were made to the netball court near the After School Care Room. We are very pleased with this area, as it looks fantastic and is a much safer surface. Thanks to the Black Tac crew for their work.

And some very exciting news from the Hagley Farm today. Our beautiful Belted Galloway gave birth to a calf this morning. What a glorious welcome back to school for us all.

Kind regards

Jeanagh Viney

VALIDATION/ICT/AQUATIC FORMS

Students will be given before the end of this week a number of forms that need completing and returning to school as soon as possible.

Prep - Grade 6 students will be given an ICT agreement, we ask that parents go through this form with their children and sign it (older students Grade 3 -6 are always required to sign).

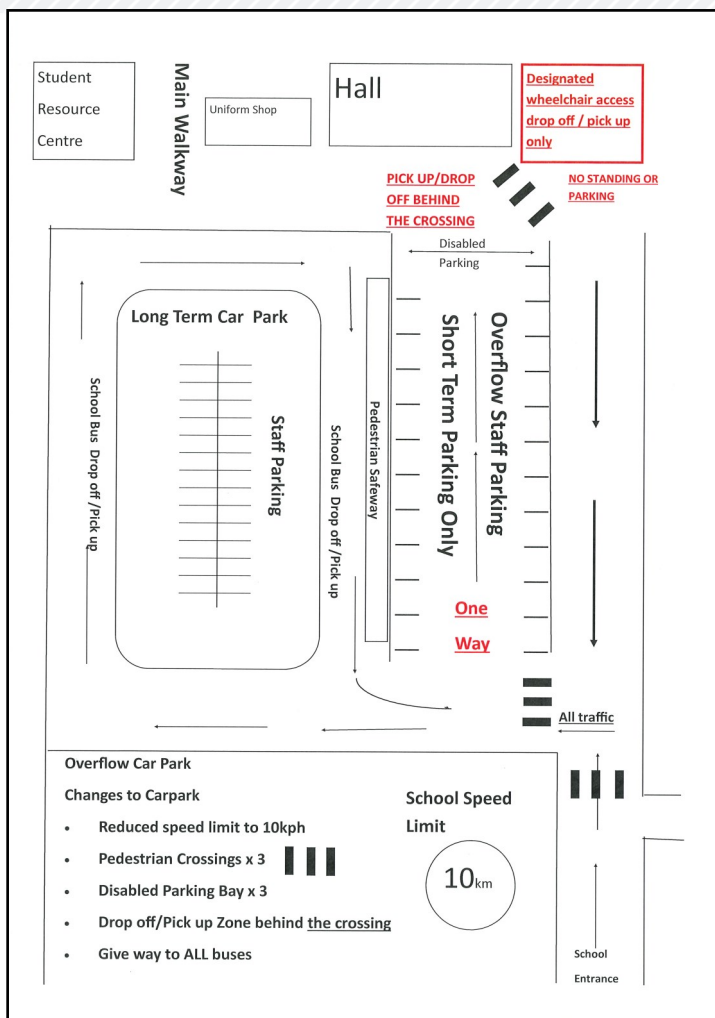

Kinder - Grade 6 students will receive 2 forms relating to the use of our school pool and other water-related activities. These forms need to be returned before students are permitted to take part in these activities.

Those families who haven't already collected their validation forms for 2021 will also have these sent home this week. We ask that you please return these promptly.

CANTEEN

Our canteen will commence operation on Friday, and will be open on Tuesdays and Fridays this year. Please see the menu on this page for available items. If you are able to volunteer in the canteen please contact Kristy on 0408 377 408.
