4/3 - 1/2 Legro

FROM THE PRINCIPAL'S DESK

Hello everyone,

Welcome Back Barbecue

This afternoon we will welcome our parent, student, and community members back to school as a group for the 2021 Welcome Back Barbecue, starting at 5.30pm. We are very excited to be able to have everyone back on site for a large gathering. It is wonderful for you to meet with teachers and enjoy our school environment together. Importantly, we need you to be really alert about keeping physical distancing as a priority throughout the event. Our guidelines are prescribed by the Department of Education, through the Department of Public Health. Physical Distancing is essential, allowing 2 square metres between adults who are not of the same family. It is vital that these requirements are observed – planning for future events will be based on the success of this large event. Please help us to enjoy the celebration together and be aware of the required distancing. Your support will be very appreciated and go a long way to ensure that we can have events again during the year. Please ensure that you sign into our site – either through paper signing or by using the Tas Check In App – there will be many places in our school environment for you to do this. There is a map included in today's newsletter to show where activities are happening.

Holiday for the Launceston Cup

Don't forget that tomorrow is a student free day for Hagley. This is for the Launceston Cup. We look forward to seeing everyone back on Thursday.

Attendance

Attendance at school is essential and required – as given through the Education Act. Of course, when students are unwell, they are not able to attend school, and we believe that they should not be here to ensure the health and safety of everyone. Please help us to keep our school community healthy by not sending your child to school when they are unwell. However, we also ask that you send your children every day that that they are well.

School attendance is a critical part of their learning, growth, and resilience. Being at school every day is critical.

If your child is unable to be at school due to being unwell or another important reason, please contact the Office to let us know.

Our Office staff will contact you if your child is away and unexplained. We will continue to communicate with you about their non-attendance. Please support the best learning opportunities for your child by sending them to school every day.

Kind regards

Jeanagh Viney

Jeanagh Viney
Principal

EARLY CHILDHOOD TABLOID SPORTS

This event will be held on the morning of Friday 12th March on our school oval commencing at 9.30am. More details will be shared closer to the date. Families and friends are welcome to come and watch. Remembering Covid safe guidelines including checking in on your arrival at school.

CANTEEN

Our canteen cannot operate without assistance from volunteers. Kristy is still looking for some more helpers. All we are asking is for a few hours of your valuable time, as little as once a term can make a huge difference. Chat with other school parents and team up with a friend and make a day of it. Hours are from 9am-1pm, Tuesday and Friday, jobs include preparing salad, making toasted sandwiches, chicken burger rolls and serving.

Kristy Springer - Canteen Coordinator

ASSEMBLIES

As was the case last year we are limiting adults attending assemblies to those parents whose children are getting a merit certificate or who have a role in hosting the assembly. Parents whose child will be receiving a certificate will be sent an SMS alerting them about this; there is no need to reply to this message or no obligation to attend. They are simply sent as a courtesy. All adults **MUST** either sign in to our site or use the Tas Check In App.

AWARD RECIPIENTS

GT4GC:

Primary - Zane, Archer, Isabella, Casey

Merit Certificates:

Primary - Dylan, Lewis, Will, Lan, Ruby, Tessa, Karmi, Oliver, Eden, Cooper, Lillie, William, Zane, Matilda

SCHOOL BANKING

Can you volunteer? We need your help with the School Banking program!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. The School Banking is processed at the same time each week and will only take a small amount of your time. The Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they practice saving skills and also help our school with fundraising.

As part of volunteering you are eligible to receive a Certificate of Attainment that details the activities that you are involved in. For example: cash handling, program facilitation, account reconciliation and more.

Currently, School Banking day is **TUESDAY** and will commence on 2nd March (next week). Banking is only available for students in Prep to Grade 6.

NEWS FROM THE LIBRARY

Library Bags – We are focussed on library bags again this week. We are aiming for good habit development so that our library books get a safe journey to and from homes. Plastic shopping bags are perfectly fine. Please ensure your child's library bag is named, regardless of the type of bag.

The Library Is Open! Did you know that children are welcome to change their books during the week? The library is open before school (8.30-9.00) and at lunchtimes (1.00-1.30) on *Tuesdays, Wednesdays and Thursdays*.

It has been lovely to see children popping in to change their books during these times. Here are Max from I/2HN and Alex from Prep ME swapping their books over before school last Thursday.

Reading at Home – This term we are celebrating reading at home. Who does your child read with at home? A parent, grandparent, carer, sibling, cousin, friend or maybe even a pet or a teddy bear? Please feel free to email a photo of your reading at home experience.

Cup Day – If your child has library on Wednesdays and will therefore miss their lesson this week, please let them know that they can bring their book in on Thursday if they would like to swap it over before next week's lesson.

Happy Library Lovers Week! – Mrs Jessica Marston (Teacher Librarian) jessica.marston@education.tas.gov.au

Download the Check in TAS App Today

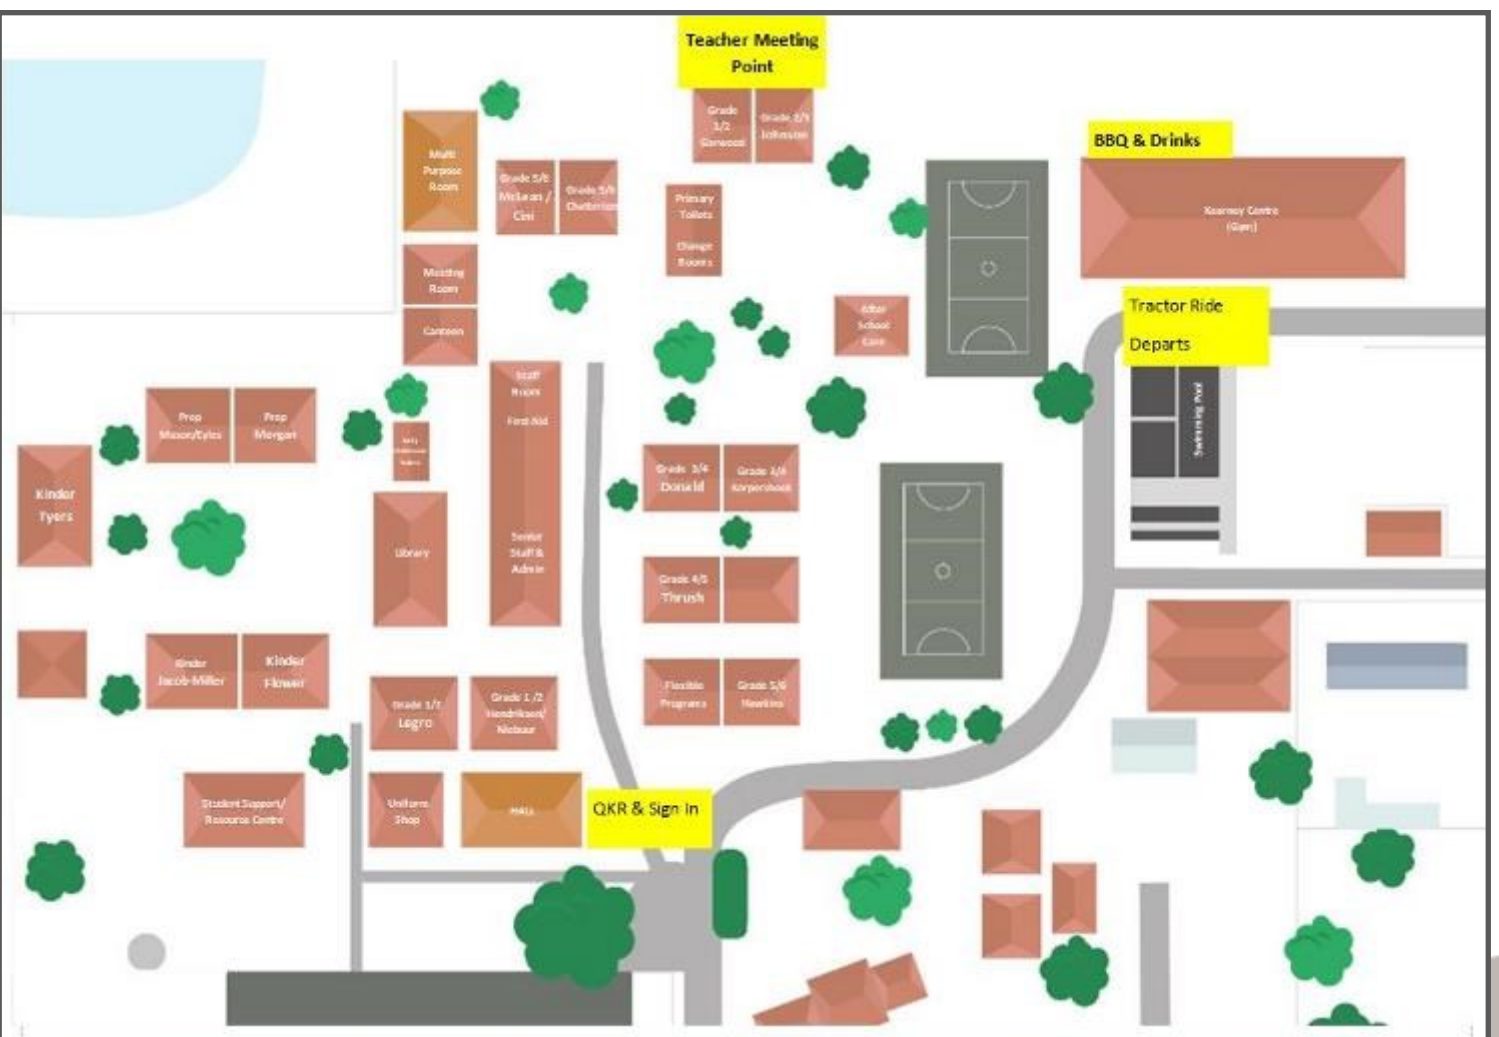

Download the APP from

- Download the Check in TAS App from the Google Play Store or the Apple App Store.
- Register your details (required for the first time only).
- Open the app, select 'check in now' and hover your smartphone camera over the venue's displayed QR Code.
- Add in any additional people who are with you.
- When the check in is complete, show venue staff the app successful check in screen.

Thank you for supporting COVID-19 contact tracing efforts and doing your bit to keep Tasmanians safe. Questions? Call the Public Health Hotline 1800 671 738.
