FROM THE PRINCIPAL'S DESK

Hello everyone,

In the past few weeks, we have celebrated the new Grade 6 student leadership members. We announced the House Captains – and they led our Athletics Carnival a few weeks ago, and our whole school assembly last Friday. They did a tremendous job at both events. Also at the Assembly we welcomed our new executive members for the Student Leadership Board. Congratulations to Eli as our Premier, Emme as our Deputy Premier, Sarah as our Treasurer and Isabella as our Secretary. We also welcome Zane, Bryce and Sam as other members of the grade 6 leadership team on the Board. We look forward to the team's leadership of student voice and opportunities for our school to improve based on student feedback.

We are currently experiencing some issues in our playground and classrooms where some students are being mean, and unkind to each other. Mostly it is with words that hurt and harm. But it is also with behaviours that exclude others and make them feel disconnected to school and their friends. There are other behaviours where students are bystanders and do not help the person in trouble, they laugh, ignore, and contribute to the person feeling isolated. As this Friday is the National Day of Action Against Bullying it is important to bring a spotlight to these behaviours. We need our students to be kind and caring, we need them to be considerate of others and include others, we need them to speak respectfully and to respect others. This is how we want them to grow up as adults. We focus on this at school all the time, and I ask that you help us with this by reinforcing these messages at home and supporting positive behaviours from everyone.

Kind regards

Jeanagh Viney

AGFEST

After an enforced year off in 2020, Agfest is creeping up on us, falling on the 5th, 6th, 7th and 8th of May.

Operating the food van at Agfest is the School Association's major fundraiser for the year.

But we need help, and lots of it!!!

No experience is required, we are very keen to see some new parents. There is a group of seasoned campaigners available to guide you through your first shift.

There are jobs for all abilities and personalities: serving, food preparation, cooking, cashier etc.

Its good fun, a bit hectic at times, and a great way to meet other parents and staff.

Entry to Agfest is free, all we ask is 3 hours of your time.

We are hoping to finalise volunteer roster before the holidays.

If you can help out please complete the slip and return to the school office, or text/call Chris Cheek on 0409 606 202.

Please specify the time/times you are available and note any extra info we might need.

We look forward to seeing you there.

Early Childhood Tabloid Sports

Last Friday morning was an absolutely fabulous day in the sunshine for our early childhood students. They participated in many different activities led fantastically by our House Captains and Aussie Sports Leaders. The students demonstrated great resilience and courage in participating in activities they had perhaps never attempted before. A big thank you to Mr Ankin and Mr Preece for their organisation.

The morning was thoroughly enjoyed by all.

NEWS FROM THE LIBRARY

Second-Hand Book Sale – Our second-hand book sale is open during lunch-times on Tuesday, Wednesday and Thursday each week until the end of term. Students can buy deleted library books for 10c per book. There are a range of non-fiction, picture books and novels. Some are duplicate copies that we no longer need, some are old, some are damaged.

Reading at Home – This term we are celebrating reading at home. Who does your child read with at home? A parent, grandparent, carer, sibling, cousin, friend or maybe even a pet or a teddy bear? Please feel free to email a photo of your reading at home experience.

Here is Scarlett from Kinder F reading at home. Scarlett loves to read her books at bedtime with Mum.

Book Club – Issue 1 orders have arrived, with a few items on back-order. We will deliver these to classrooms as soon as they arrive.

Issue 2 is out now and will be sent home this week. Because of the 9-week term, I will do two orders and hopefully the first will arrive before the holidays. *Order 1 will be placed this Friday the 19th of March at 4pm, order 2 will be placed the following Friday the 26th of March at 9pm.* Please remember that all orders need to be completed on the LOOP system which you can access online or via the Scholastic LOOP app. Please email me if you have any questions about LOOP.

eSafety – Important Message - ROBLOX

Does your child play Roblox? If so, please make the time to read the following. It is our job as parents to ensure our children are safe online, just as we would ensure they are safe at the playground or the bus-stop. Harmful content is being shared with children in the under 13 section. If you are on social media, please consider following the Cyber Safety Lady as she regularly posts important information to help us keep our children safe online.

Sharing my article on Roblox again...as I've just been exposed to photographic porn and a sex simulation act in one of the Under 13 Roblox games. It's only one of several incidents I've seen since my last post on this game, which have included nude avatars, sexually suggestive acts and rooms that have beds with animations that are sexual in nature. I reported the players and the game, but they were not removed in the time I was hanging around which was around 1/2 hour. I'm heartbroken that this game is exposing children to these harms. Supervision by parents is vital on Roblox at all times. The post has instructions for the parental controls, but keep in mind they would not have prevented the exposure I witnessed.

I won't name the games as it will only cause curiosity and potentially further harm. These incidents are happening in many games, you cannot simply tell children to avoid particular games. You do need to be supervising at all times.
