FROM THE PRINCIPAL'S DESK

Hello everyone,

Where has this term gone? It is hard to believe that we only have one week and one day left for our students before the Easter break commences, and then the term one holidays begin the following week. It has been an incredibly busy term, but hard to believe how fast it has passed for us all.

In the past two weeks our grade 3 and 4 students have participated in their biannual camp experience, held here at the Hagley Farm Visitor Centre. This is a wonderful experience for our students to learn about the farm and our history, technologies, and biosecurity. They also learn about expectations, the challenges, and the courage that they can strive for. Camp is an opportunity for us celebrate our Values in action. We saw so many students grow in their capacity to be resilient, to show courage, to step outside their comfort zone. I am so pleased to celebrate that almost every grade 3 and 4 student attended the Camp and slept overnight – despite some being nervous and scared. This is such a positive display of their **COURAGE**, their **ASPIRATION** and their **GROWTH**. Well done and congratulations to those who challenged themselves, achieved and surpassed their expectations.

Thank you to all of the people involved in coordinating, participating and supporting these Camp experiences. Special mention goes to Miss Johnson, Miss Thrush, Mr Donald and Miss Korpershoek. Also to Mr Ankin, Mrs Page and Mr Watson. We also had a number of teacher assistants sleeping over – so thanks to Mrs Johns, Mrs O'Connor and Mrs Verbraeken. They were all a strong support to the teaching and learning of the grade 3/4 curriculum, as well as an incredible growth experience for our students. We truly appreciate the people who help to make the camps happen, including Mr Tyson and Ms Bunker.

Yesterday our Grade 3 – 6 Athletics Team attended the Northern Midlands Carnival at St Leonards. Again, this was a great opportunity for our students to focus on our Values of Respect, Aspiration, Courage and Growth, and they did. There were amazing race results, and I congratulate the students who made significant places in their races. I also want to recognise the others who participated in the carnival and supported our team. Mrs Chatterton, Mrs O’Conor and Mr Preece all commented on the great team atmosphere.

Thank you also to Alison Hulm and Anna Danziger, for their support by taking on roles for the carnival. Without volunteers our carnivals cannot work efficiently, so we are very grateful for their time and commitment.

Kind regards

Jeanagh Viney

AGFEST

After an enforced year off in 2020, Agfest is creeping up on us, falling on the 5th, 6th, 7th and 8th of May. Operating the food van at Agfest is the School Association’s major fundraiser for the year. But we need help, and lots of it!!!

No experience is required, we are very keen to see some new parents. There is a group of seasoned campaigners available to guide you through your first shift. There are jobs for all abilities and personalities: serving, food preparation, cooking, cashier etc. Its good fun, a bit hectic at times, and a great way to meet other parents and staff.

Entry to Agfest is free, all we ask is 3 hours of your time. We are hoping to finalise the volunteer roster before the holidays.

If you can help out please complete the slip and return to the school office, or text/call Chris Cheek on 0409 606 202.

Please specify the time/times you are available and note any extra info we might need.

We look forward to seeing you there.

Sharing my article on Roblox again...as I've just been exposed to photographic porn and a sex simulation act in one of the Under 13 Roblox games. It's only one of several incidents I've seen since my last post on this game, which have included nude avatars, sexually suggestive acts and rooms that have beds with animations that are sexual in nature. I reported the players and the game, but they were not removed in the time I was hanging around which was around 1/2 hour. I'm heartbroken that this game is exposing children to these harms. Supervision by parents is vital on Roblox at all times. The post has instructions for the parental controls, but keep in mind they would not have prevented the exposure I witnessed.

I won't name the games as it will only cause curiosity and potentially further harm. These incidents are happening in many games, you cannot simply tell children to avoid particular games. You do need to be supervising at all times.

Important Message - ROBLOX

Does your child play Roblox? If so, please make the time to read the following. It is our job as parents to ensure our children are safe online, just as we would ensure they are safe at the playground or the bus-stop. Harmful content is being shared with children in the under 13 section. If you are on social media, please consider following the Cyber Safety Lady as she regularly posts important information to help us keep our children safe online.

VALIDATION FORMS

We have 7 families who have not returned their children's validation forms. We really need these ASAP to finalise emergency contact and permissions information for our students. Should you not be able to locate these forms please contact the office and we will supply another copy. Also check with your children that they have returned them to the office and that they are not at the bottom of school bags.

NEWSTEAD ATHLETICS CROSS COUNTRY SERIES

After a year's hiatus this series is returning in 2021. It is a well-run event and provides your child with some great opportunities to improve their cross-country running and have some fun. It is open to all abilities and all primary aged children. There is a cost of \$10 per student for the whole series. You can either register online via their website or alternatively send along the \$10 in an envelope to the school office with your child/children's names and date/s of birth and we will register them all. Should you choose to register online please let us know so we can include them in our Hagley Teams.

It would be great to have a big Hagley presence at these runs, especially as there is an event here at school.
