Wed 7th– Tues 20th - School Holidays

Wed 21st - 1st day of Term 2

Assembly Hosting Roster

**Whole School Assembly 11.10 on
Wednesday 31st March**

FROM THE PRINCIPAL'S DESK

Hello everyone,

Yesterday Kindergarten Flower and Jacob Miller headed off for a day at Tasmania Zoo. They had a fabulous time enjoying the animals and environment together. Mrs Tyers' class will be visiting on Wednesday. Yesterday morning our grade 5/6 classes, including grade 4/5 Thrush visited the Rupertswood Maze. There were many accounts of fun, laughter, tension, and strategy. It is exciting that our upper primary classes support our local enterprises by visiting together. We were very happy that all students, teachers and education assistants returned to school after their adventure in the maze – I heard that there were quite a few groups who felt a bit 'lost' before finding their way out and back to school.

Yesterday afternoon our grade 5/6 classes were visited by a member of the Australian Rowing Team for the 2021 Para Olympics in Tokyo. Alexandra (Viney) was in Tasmania to participate in the National Rowing Championships at Lake Barrington over the weekend. She was successful in winning the Gold medal in the PR3 Women's Coxless Pair and the PR3 Mixed Cox Four. Her visit was an opportunity to row at Lake Barrington for the first time in a decade and celebrate her strength as a world class rower in the PR3 category. Alex shared her story over the past decade with the students and it was very powerful. Messages were about resilience, courage, toughness, goal setting and being positive. Alex provided inspiration for our students about finding positive in the opportunities that we are faced with.

Mrs Cini has officially become a permanent teacher at Hagley Farm School. Next term she will take on the role of full time teaching on Grade 5/6 as Mrs McLean will take on four days of off class AST support for students and staff.

This week we begin our Easter break, with a Student Free Moderation Day on Thursday. The Holidays officially begin on Wednesday, and then we return to school on Wednesday 21st April. Happy holidays everyone.

Kind regards

Jeanagh Viney

READING CLUB

We have had a hugely successful launch of Reading Club this term. Recently we invited some Grade 6 students to become Reading Buddies in the Reading Club. Our younger students love reading to a buddy and sharing their books. **A huge thank you** to our buddies who come regularly on Tuesdays, Wednesdays and Thursdays each morning before school.

NEWS FROM THE LIBRARY

Reading at Home – This term we have been celebrating reading at home. Who does your child read with at home? A parent, grandparent, carer, sibling, cousin, friend or maybe even a pet or a teddy bear? *Please feel free to email a photo of your reading at home (or away!) experience over the holidays.*

Here is Ivy from I/2G reading at home, alongside a quote from well-loved American children's author Beverly Cleary, who passed away aged 104 last week.

**"ONE RAINY SUNDAY WHEN I
WAS IN THE THIRD GRADE, I
PICKED UP A BOOK TO LOOK AT
THE PICTURES AND DISCOVERED
THAT EVEN THOUGH I DID NOT
WANT TO, I WAS READING. I HAVE
BEEN A READER EVER SINCE."**

-Beverly Cleary

Second-Hand Book Sale – Will not be open this week – but will be on again for the first two weeks of term 2.

Book Club – If any orders do happen to arrive this week, we will be sure to get them to classrooms straight away.

– Mrs Jessica Marston (Teacher Librarian) jessica.marston@education.tas.gov.au

AWARD RECIPIENTS

GT4GC

Early Childhood:

Primary: Ava J, Gabby E, Blake G, Fletcher M, Zane D

Merit Certificates

Early Childhood: Harrison R, Eden M, Kenzie G, Lily S, Harley G, Lewis D, Sofia R, Archie B, Thomas J, Charley P, Hugo C

Primary: Cooper G, Kasey P, Alex S, Bailey M, Cooper S, Alexis C, Lilly-Mae H, Owen H, Aaliyah B, Hamish C, Archie M, Griff G, Geordie S, William S, Jamie D, Isabelle D, Chelsea R, Ella W, Paige Y, Rylie R, Georgiana R and Emily C

NEWSTEAD ATHLETICS CROSS COUNTRY SERIES

We have had a long tradition of participating in this cross country series. It would be great to have a big Hagley presence at these runs, especially as there is an event here at school. The season starts on May 1st running each Saturday for 6 weeks at a total cost of \$10. All Prep - Grade 6 children are invited to participate. You can register online or simply submit your child's details to the school office with the \$10 payment.

AGFEST

With a little over 4 weeks to go, preparations for Agfest are well underway.

Things will be a little different this year, with restricted numbers of patrons through the gate and limitations on volunteer numbers in the van with Covid restrictions.

We have an excellent site this year in 6th Avenue, we are intending to operate as per normal, albeit with a slightly reduced menu.

A massive thankyou to those that have volunteered so far, we will be in touch over the holidays to confirm days and times.

We are still well short of volunteers to help over the 4 day event, so jump on board and give us a hand. There are jobs for everyone, and we can be flexible with shift times.

You can call/text Chris Cheek on 0409606202, or drop the attached volunteer slip off at the school office.

See you there

AGFEST VOLUNTEER SLIP (please circle available time/s)

Any other information:

This program will run at our school between 17th May– 10th June this year. The forms inviting your child to participate were sent with last week's newsletter for children in Kindergarten, Prep, Grade 1, 2 and 6. Please complete and return these forms before the holidays so we can send them back to THS. Forms need to be returned even if your child is not participating in the program. Thank you for your cooperation.

Can you volunteer? We really need your help with the School Banking program! You will receive training in all tasks and you will be eligible to receive a Certificate of Attainment that details the activities that you are involved in. For example: cash handling, program facilitation, account reconciliation and more. Below are the details to get your children started with school banking. If you are interested in volunteering for this great program, please contact Kym Hingston on 0409 502 178.

School Banking Parent Guide.

90 years of teaching children about money.

Weekly saving

- Children can save any amount of money each week and bring it to school on their designated School Banking day.
- The money is deposited into their YouthSaver account and they can track their progress in their School Banking Dollarsmites tokens deposit wallet.

Fun and rewarding

- Each time your child makes a deposit at school, they'll receive a silver Dollarsmite token.
- Once they collect 10 Dollarsmites tokens they can redeem them for a small reward.

Depositing outside of School Banking?

There are a number of ways your child can make deposits into their YouthSaver account:

- Deposit in branch, make sure you bring their deposit book with their account information filled out so they can track their savings.
- You can also make deposits into your child's account using Internet banking, NetBank or the CommBank app for CommBank customers.
- Use our Intelligent Deposit Machines and ATMs.

Remember, if you use those services to make deposits into your child's account they will not receive tokens towards redeeming a School Banking reward.

Helping your school fundraising

As your child banks through School Banking, your school will receive fundraising support to recognise the administration required. To find out more on how we help schools fundraise and how this is calculated, visit [commbank.com.au/sbi/info](#).

Getting started

If you'd like your child to take part in School Banking, they'll need a YouthSaver account. Designed for anyone under 18 years of age, this account has no monthly fees or withdrawal fees. They'll also earn bonus interest when they grow their balance each month^{*} on balances up to and including \$50,000.

There are three easy ways to get an account:

- Apply online at [commbank.com.au/schoolbanking](#)
- Visit any CommBank branch.
- Log on to your CommBank app (if you bank with CommBank). From the menu in the bottom left corner, select "Products and offers," then "Bank accounts" and "Student and youth accounts," scroll down to Kids and tap "Open account."

What you'll need

Personal Identification for you and your child. You can use a birth certificate, passport, driver's licence or citizenship certificate*. If applying in branch, please bring your child's birth certificate and/or an applicable Court Order to help us identify you as the parent or legal guardian.

When you open a YouthSaver account, your child will receive a Dollarsmites deposit wallet in brand, official, or we'll mail it to you if you opened the account online.

Saving is rewarding.

This year we're celebrating the most popular rewards from past years. This will include the popular tomato seed kit, water slimming ball, and much more!

Our most up-to-date reward wallet insert can be found at [commbank.com.au/sbc](#)

How to redeem rewards:

- Make 10 School Banking deposits – receive one silver Dollarsmite token each time your child makes a deposit (maximum one Dollarsmites token per week).
- Choose a reward from the wallet insert and fill in the coupon that goes with it.
- Place the completed reward wallet insert and your child's 10 Dollarsmites tokens in their Dollarsmites deposit wallet and take it to school on the next School Banking day.

Simple rules:

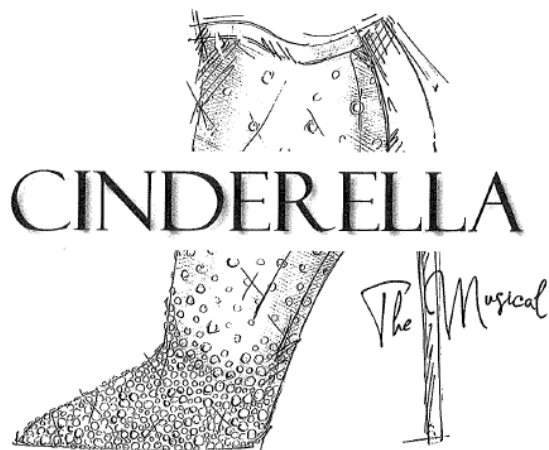

- To reward individual saving, Dollarsmites tokens can't be combined with other students' or siblings' tokens.
- All rewards can be redeemed from Term 1, and are available whilst stocks last.
- Our School Banking program is suitable for children in primary school.

School Banking rewards are not suitable for children 3 years and under. For safety reasons, remove any tags, labels and packaging before use and refer to the usage instructions.

*Eligible eligible New Zealand citizens living in Australia who have been granted permanent residency status by Immigration New Zealand may apply for a YouthSaver account. The maximum limit for this product will be based upon the product's Total Market Value.
