FROM THE PRINCIPAL'S DESK

Hello everyone,

National Volunteers Week will be celebrated from May 17th - 23rd. This is the week where across Australia we recognise and celebrate the volunteers who contribute to our society and community. **However, this week is Hagley Volunteers Week.** We give a huge shout out to celebrate the amazing group of parent and community volunteers who will be helping us to contribute to Agfest this year.

Involvement at Agfest, for Hagley, is a significant tradition. We have been involved since the late 1980s, when Agfest began in our community.

I encourage us all to celebrate Hagley Farm School's Volunteer Week as we head into Agfest this week. Our Food Van has a big reputation and a large following from the local, school and farming community. Being involved in the event this year was a tough decision, but we decided that our community involvement was important. The preparation and commitment from Chris Cheek and his team of volunteers is certainly something for us to celebrate and thank them for. This is something that requires weeks of planning, preparation and time. We are so thankful and appreciative of Chris and his team who will run the Food Van throughout the Agfest days.

If you are at Agfest please support our school fundraising by visiting the Food Van at Site 616. Please spread the word to your friends and family to visit us as well.

The funds raised through the hard work of the volunteers at the Food Van will contribute to the school playground facilities for our students. Hagley Farm School Visitor Centre will also be representing us at Agfest. We will be based in the TFGA tent – and Farmer Jack will be doing some demonstration shearing as well. We look forward to seeing everyone visit us there.

Kind regards

Jeanagh Viney

COVID UPDATE

Coming into the cold and flu season, it's important that we all continue to keep healthy and safe. To ensure we can keep on top of COVID and also cold and flu, make sure you:

- Be alert to any symptoms of cold or flu that you or your child may exhibit
- Get tested for COVID if you or your child have symptoms
- Practise good hygiene, such as covering coughs and sneezes and washing hands
- If you or your child do get sick, stay at home until symptoms has passed, even if a COVID test is negative.

Remember, symptoms include fever, tiredness, cough, headache, sore throat, sniffing and sneezing.

To keep our school safe, we are still:

- Continuing with increased cleaning
- Making sure there is plenty of soap, sanitiser and tissues available
- Applying restrictions to large gatherings of adults and encouraging physical distancing
- Requiring visitors to check-in on our sites

NEWS FROM THE LIBRARY

Premier's Reading Challenge

The PRC 2021 has begun! Children from Prep to Grade 6 have received their reading log during their library lesson this week. We are encouraging children to have 2 reading logs – one to keep at school and one for home. Spare reading logs are available from the library. Please encourage your child to develop good reading habits by reading every day, even if it's just for 5 minutes. This all adds up to important growth in your child's reading.

Second-hand Book Sale – Last Chance! 5c each!

Our second-hand book sale will be on at recess and lunchtimes this week on Wednesday and Thursday, and next week on Tuesday, Wednesday and Thursday. After that the book sale will end. *All books in the sale are now 5c each.*

Audio Books

Did you know that audio books can be added to your child's reading log for the PRC? If you or your child has a Libraries Tasmania card, you can access many online reading options for free. One of these is Borrow Box. It is easy to use and has a growing range of titles. You can download the app or use it on your computer.
