## FROM THE PRINCIPAL'S DESK

Hello everyone,

### Parent Teacher Student – 3 Way Meetings

Over the past few weeks, teachers have been busy making assessments of learning to write timely and relevant mid year reports for your information. Reports will be sent home in 2 weeks time for your early information, and then we welcome and encourage you to join us for our 3 way reporting conversations the following week. Information shared during the meeting will be relevant and appropriate to your child's learning and participation, therefore, whatever their age, they are able to be a part of the conversation. We encourage our students to be responsible for their own learning, therefore it is important that they are a part of the meeting. Please bring your child along, and include them in the feedback process. Further information regarding the booking system will be included in next week's newsletter.

### Preparedness for Short Term Lock Downs

Recently the DoE have encouraged schools to be ready in case we experience similar COVID related short term lock downs similar to Victoria. Schools will be classified as an essential service, and therefore will remain open for essential workers. We will also be required to provide online and paper based learning opportunities for learning at home. Please ensure that you are aware of your child's logon details for accessing Microsoft Office 65, Reading Eggs and Mathletics. We certainly hope that this situation will not occur in Tasmania, but it is essential that we are prepared.

### Student Health and Attendance

Please ensure that you are mindful of keeping students home from school when they are showing signs of being unwell. We have lots of children currently coughing, sneezing and with runny noses. While attendance at school is very important, to keep us ALL healthy we would appreciate it if children DO NOT come to school when they are unwell.

## School Uniform

As the weather is now becoming colder, I remind parents and families of the requirements of our Uniform Policy, endorsed by the School Association. Our uniform includes several items that provide warmth, including the rugby jumper and jackets. It is essential that these items are worn as the main provision of warmth. Puffer jackets, or the equivalent, are permissible to be worn to school in the morning as long as other items are also worn. They are not to be worn in classrooms; therefore, another layer of uniform is necessary for warmth. As the cold weather increases it is still necessary that our attention to full school uniform is a focus for everyone.

*Kind regards*

### Premier's Reading Challenge

We are in to Week 6 of the PRC. Please encourage your child to find some time to read everyday. Even 5 or 10 minutes a day makes a big difference over time.

### Readers' Cup

A number of our grade 5/6 students have elected to participate in the Readers' Cup for 2021. This is an inter-school reading competition for teams of up to 6 students. They have been reading a set of 6 books over the last 6 weeks. Next week our four teams will complete a quiz about all of the books, and present a Creative Presentation about one of the books. The winning team will represent our school at the inter-school final at Perth Primary School on the 24<sup>th</sup> of June.

*Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician).*

## eSmart News

This week there is particularly disturbing content making the rounds across Snap Chat, TikTok and other popular social media platforms. Please follow the advice from experts in this area – DO NOT discuss the content that is being shared, instead make time to discuss with your child what they should do when they come across disturbing or traumatic content. Make sure your child knows not to share any such content with siblings, friends or followers, to make sure they have an identified trusted adult to report it to who can then help them to block and report the content to the platform or the esafety commissioner's office. <https://www.esafety.gov.au/report>
