FROM THE PRINCIPAL'S DESK

Hello everyone,

Parent, Teacher, Student Learning Discussions

We are now on the downward slope towards the end of term. Less than two weeks to go – and they will be busy. This week of course is Parent/Teacher/Student meetings, where we encourage you to come in to discuss the learning and participation of your child for the first half of this year – as a partnership together. It was encouraging to see so many students joining in the discussion with their parents and teacher yesterday afternoon, explaining their learning goals and setting new goals for the remainder of the year. If you have not had an opportunity to book a time to meet with your child's teacher please call the Office on 63922272 and Katrina or Mel will be pleased to organise a time for you. Even if you think things are going well, these are important conversations to be a part of throughout your child's education.

Prospect High School Taster Day

Today our Grade 5 and 6 students headed off to Prospect High School to experience a Taster Day. This is a part of PHS transition support program to give primary school students an idea of what to expect and what to look forward to as they move towards high school. There will be several other experiences for our Grade 5 and 6 students throughout the year, as well as opportunities for parents to tour the school and learn about the experiences provided for students in year seven and beyond.

Other Events

Some of the other events taking place in the next two weeks are: the State Cross Country Carnival at Symmons Plains being run today - we wish our competing team, along with Mr Preece the best of luck; Free Dress Day on Thursday, Readers Cup on Thursday, and Good Things for Good Choices celebrations next week. Classes will also be involved in Buddy celebrations of the gains our students are making in reading through the intensive focus of teachers and learners across our school.

NEWS FROM THE LIBRARY

Premier's Reading Challenge

Next week is the final week of the challenge – let's aim for 15 minutes of reading each day at home!

Readers' Cup

Congratulations to all of our Readers' Cup teams but particularly to The Dumbledorks who were our school winners. They will be competing virtually this week against 13 other Primary Schools in an attempt to win the Readers' Cup trophy. Good luck Dumbledorks!

Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician).

eSmart News

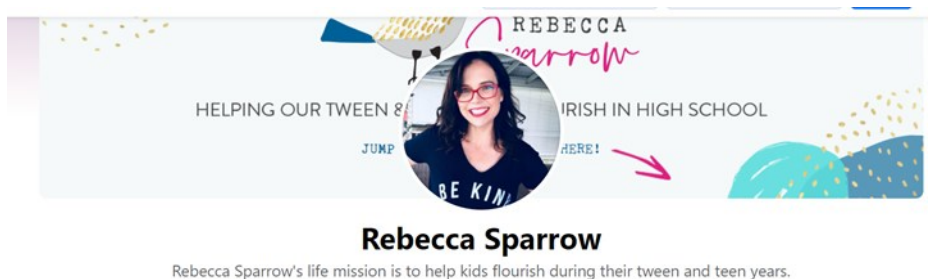

I have been following some fantastic people on Facebook who are helping me keep up to date with positive ways to manage my own children's online behaviours and habits, as well as managing the risks involved. Keeping up to date with regular information is essential if your children are online. I will share some of these people with you over coming newsletters and encourage you to look them up online or follow them on social media.

ARTSTART 2021

Twice a year the Queen Victoria Museum and Art Gallery (QVMAG) organise an exhibition for primary aged children known as ArtStart. ArtStart's theme this year was centred around 'thoughts, memories and dreams'. Kinder Tyers' budding young artists created some beautiful pictures of themselves standing under brightly coloured umbrellas being showered by rainbow rain. Four of our clever students were selected to have their work displayed in The Art-Start exhibition; Harvey, Beatrix, Pearl and Eliza. The children were able to preview their work last Wednesday evening and this will be part of the exhibition at the Royal Park site until November. We are so proud of all of our little artists in Kinder Tyers!

KINDERGARTEN 2022

Is your child, or do you know of a family in the local area who has a child turning 5 in 2022? If so they are eligible to begin Kindergarten next year. If you are in the Hagley catchment area and intend to enrol your child at Hagley for 2022 please complete a quick 'intention to enrol' form via the link on our **Launching into Learning—Hagley Farm School** Facebook page. Official enrolment forms will be available at the beginning of Term 3. If you require a paper copy of the intention to enrol form please contact the school office. Any questions, please email me at lisa.ankin@education.tas.gov.au or contact the school office on 63922272.

Sport this Friday is at Campbelltown. Any students travelling will be unable to order their lunch. Students will be told more details later in the week.

GROWTH AND DEVELOPMENT

I will be in classrooms during Term 3 working with students to develop their understanding around growth and development.

The table below outlines the content that will be covered for each level:

Prep-2 (2 lessons)	Year 3-4 (3 lessons)	Year 5-6 (3 lessons)
Protective behaviours, public and private - who we can talk to if we have a problem or worry	Growing up - introduction to puberty	Puberty - physical, social and emotional changes
Growing up - how I have changed since I was a baby	Basic information about reproduction	Basic information about reproduction
Naming body parts	Respect, body safety and help seeking	Healthy relationships, boundaries and respect

If you would like more information about the content of these lessons, a parent information session will be held on **Friday the 23rd of July at 2:30pm** in the library.

If you would like more information but cannot attend this session, please let the office know and I will contact you by phone.

If you do not wish for your child to participate in these sessions, please let their teacher know.
