FROM THE PRINCIPAL'S DESK

Hello everyone,

Happy and Safe Holidays

Thank you to parents and students for your very positive response to attending parent/teacher/student meetings over the past week or so. We have been overwhelmed by the positive response of attendance at these meetings this year – an estimate would be 98% of parents and 95% of students. We are very pleased with this response, and the feedback has been very positive regarding the 3 way discussions. Once again, thanks for your positive response to our request for attendance for students and parents/carers at these meetings.

I would also like to acknowledge parents and carers for your positive partnerships with us to support every learning opportunity for your child. Learning and wellbeing for every student are the priority of our staff. Your support and positive messages about school, attendance, learning and our expectations are appreciated. Your support reflects the way your child will respond to school and our expectations. We thank you for that.

This has been a very long term for us all. I know that everyone is very eager to begin the holidays. Both students, teachers and other school staff are tired and showing signs of being unwell as they look towards the holiday on Friday. I would like to recognise the extra time, energy and effort that teachers have given this term in writing reports and then being available for meetings with every family to discuss learning and participation. At the end of a long term this was challenging, but the meetings were very positive.

I hope you all enjoy a very safe, enjoyable time with family over the next two weeks. We look forward to seeing everyone back at school on Tuesday 20th July for the start of term 3.

READING CELEBRATION

We are celebrating our achievement and progress in reading across the school. Students are invited to participate in our “reading pyjama party” on Thursday. Buddy classes will come together in their PJ’s to read and celebrate reading with their buddy. Primary Students are to bring their PJ’s along and change before the party. Prep - Grade 2 students can come dressed in their PJ’s to school and/or change if you wish. This is a free event and no donations required. We look forward to celebrating on Thursday the amazing progress in reading.

JENNY FRENCH – PARENTS & FRIENDS ASSOCIATION LIFE MEMBER

It is with much sadness, that the School Association acknowledges the passing of our wonderful Parents & Friends Life Member, Jenny French. Jenny has contributed enormously to Hagley Farm School over the past 30 years and was a valued, respected and much-loved member of our local community. Forever active on her farm, Jenny was an outstanding role model for women in agriculture who **always** had time for others and was **consistently** the first to offer a helping hand at school and cooking at school BBQs and in the food van. Jenny was a member of our early Agfest committees and a willing helper in every capacity. As a volunteer, Jenny tirelessly acted in the best interests of others and had an innate ability to offer help, especially at times most needed.

Jenny was a remarkable lady of strength, generosity and kindness and will be greatly missed by all. Our thoughts are with Doug, Anne, Stewart and their families at this difficult time.

NEWS FROM THE LIBRARY

Premier’s Reading Challenge

It is the final week of the Premier’s Reading Challenge – if your child opted to take a reading log home, please remind them to bring it to school to give to their teacher.

Although the challenge is finishing, we encourage your family to keep reading everyday, especially during the holidays.

Readers’ Cup

Congratulations to our Readers’ Cup team who performed well against strong competition in the Readers’ Cup (Virtual) Final last Thursday. Well done to East Launceston and Glen Dhu who took out equal first, and to Mowbray Heights who were one point away to be placed third.

Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician).

Tasmanian All Schools Cross Country

Last Tuesday 27 students from Hagley travelled with myself and Mrs Mel Bussey to Symmons Plains to compete in the 2021 Primary All Schools Cross Country Carnival. This is a highly competitive event with the best cross country runners in Tasmania competing. Each individual event had on average 250 students participating which made things a little congested at the start! All of our athletes should be proud of being selected to compete in this event regardless of their results on the day.

Some stand-out performances from Hagley students were the following; Lachie F 7th in the Boys 9y/o event, Will Mc 14th, in the boys 9y/o event and Dylan H 77th also in the Boys 9y/o event. This team of boys finished 4th out of 40 teams in their age group which was a great achievement. Other fantastic performances were; Ava F 45th, Emmerson A 46th and Lottie B 59th in the Girls 11y/o event, this team finished a very respectable 11th out of 34 teams. Some other excellent individual performances were; Owen H 35th and Lachlan F 46th, both in the Boys 12y/o event and Lottie G 41st in the Girls 12y/o race.

I would like to thank Mrs Bussey for her assistance with the team on the day and also to all the parents, grandparents and carers who came to support the students at Symmons Plains.
