

FROM THE PRINCIPAL'S DESK

Hello everyone,

One of the priorities in our School Improvement Plan is to increase reading skills for all of our students – great readers and struggling readers alike. This has been a long term focus for our teachers – exploring many strategies, with lots of learning taking place, for students and teachers. Reading is an essential skill- it opens up learning opportunities in every other area of the curriculum. We know that explicit teaching of reading every day is essential. But we also know that simply reading for enjoyment is a critical part of being a good reader. And here we are in BOOK WEEK! Book Week is a wonderful opportunity to celebrate reading for enjoyment, we celebrate books, we celebrate book characters and authors, we celebrate READING. Throughout this week our amazing Teacher Librarian, Jess Marston, has organised a range of activities for our students to participate in with their class and their buddy class through the next two weeks. We have our annual Book Parade on Thursday morning – we look forward to this event every year. Because of the restriction of numbers of adults we can have in our buildings, again we are unable to have parent participation onsite. This is a part of the DoE and our school COVID safety plan. We will, of course share as much of this event with you that we can. Book Week is one of the best weeks of the school year – I can't wait to dress up and celebrate reading and books with our community.

Next week our Grade 5/6 students head off to Hobart for their biannual Camp. On Monday 5/6 C and 5/6 Ch head off with Mr Preece, Mrs Beams, Mrs Richardson and I, and on Wednesday 4/5 T and 5/6 H head off with Mr Ankin and Mrs Bussey. Both groups experience the same activities over their three days. Camp is a fabulous experience for students. There are very strong curriculum links for all of the planned daily activities, and as well as these curriculum-based learning opportunities we also have a strong focus on collaboration, cooperation, resilience, teambuilding, independence and self-confidence. Camp is a very important part of the growth of our students, and we celebrate everyone of them who have the confidence and enthusiasm to be a part of this special week of learning and connection with others. We encourage students who are not attending Camp to attend school as normal.

2022 KINDERGARTEN ENROLMENTS

Do you or someone you know in your neighbourhood have a child that turns 4 this year? If so it is time to enrol for kindergarten next year. Enrolment forms are available from the school office now, we can also email them to you if required. Please contact Mr Richard Ankin should you need to discuss any aspects of your enrolment.

GRADE 5/6 CAMP

A few reminders for our grade 5/6 parents/carers:

- Camp invoices need to be paid before your child goes on camp. If this is not possible please contact Carol Spencer to arrange a payment plan by this Friday. Thank you to those who have already made payment.
- Any medications required to be taken by children whilst on camp must be in their original containers or webster packs. We require paperwork to be completed by a medical professional for any prescription medication or by parents for non-prescription medications. These can be obtained through the school office.
- Equipment List—all students were given an equipment list to assist with packing for camp. If your child hasn't brought one home, once again contact the school office.

GRADE 5/6 SPORT

This Friday we play sport against Bracknell at Bracknell. As Bracknell is only a small school, not all our grade 5/6s will be going. Please check with your child later in the week to find out if they are travelling as students who are travelling will be unable to purchase lunch from the canteen.

NEWS FROM THE LIBRARY

It's Book Week!

Our Book Parade will be held on Thursday morning (26th of August). This will be a “no-adult audience event” but we will live-stream it and also share lots of photos afterwards. **An email was sent out last week with instructions on how to view the live-stream. If you did not receive this but would like to, please contact the office.**

Regarding costumes - have a look at home to see what you can come up with – there is no need to buy costumes. Ask your child's teacher or send us a message if you need some help. jessica.marston@education.tas.gov.au Please have a look at last year's Sway page for some inspiration! <https://sway.office.com/uKrGrnUI5WjCUOGC?ref=Link>

Whilst we know there are lots of movie-book crossovers, please remember that this is a Book Parade. Children need to be thinking of the book they are representing when designing their costume. Please bring a copy of the book for the parade

Please remember, in order to keep our parade safe and fun for everyone;

- **No horror/scary costumes**
- **No live animals**
- **No weapons – including replicas. If essential to costume, please make one out of paper or cardboard.**
- **Scooters and skateboards are permitted but with safety/respect guidelines in place – please collect a permission slip from Mrs Marston or the office if intending to bring one. No bikes.**

Book Fair

Please use the following link to view the items available in our Book Fair, and to find out about payment options. Our Book Fair is on now until this Friday the 27th of August. Please note that the Book Fair is a student and staff only space due to COVID restrictions.

UNIFORM SHOP

The uniform shop will open this Friday from 2.45-3.15pm. A great opportunity to purchase any summer uniform items you need, especially leading up to school photographs at the end of this term.

We have quite a few second hand items that families have donated, so if you are needing spare items come in and see what is available.
