FROM THE PRINCIPAL'S DESK

Hello everyone,

Welcome to Spring! A day early I know, but it is always a wonderful and exciting time at Hagley. We hope all of our Father's have a great Father's Day over the weekend. I know our students will be making very considered gift choices during our School Association Father's Day stall this Thursday. Big thanks and appreciation to the School Association for providing this for our students.

GRADE 5-6 CAMP

Our first group of Grade 5-6 campers (5-6 Cini and 5-6 Chatterton) are currently enjoying a very successful camp. We welcome them home tomorrow afternoon and send our other 5-6 campers (5's from 4/5 Thrush & 5-6 Hawkins) off on Wednesday morning. We wish them a safe and enjoyable time. As a school community, we highly value the learning and social opportunities that camps provide for our students. However, camps are becoming increasingly challenging to organise and staff. I would like to acknowledge the hard work and high level of organisation that Mrs Beams and the 5-6 Team have undertaken to ensure that all of our camps run successfully. I would also like to sincerely thank all staff members (Miss Viney, Mrs Beams, Mr Preece, Mrs Richardson, Mrs Cini, Mrs Chatterton, Mrs Hawkins, Miss Thrush and Mrs Bussey who are accompanying the students on these camps. This is a significant additional contribution of time and effort for all adults involved.

SCHOOL CARPARK

If you are here early in the morning or at pick-up time in the afternoon, you would know that our carpark can become quite busy, with buses and cars often arriving at the same time. Please be mindful that buses need considerably more space to manoeuvre than cars, and we ask that if possible, cars give way to buses as they enter and leave the carpark.

Some concerns have been raised about where parents park their cars while waiting to drop off or pick up children from bus stops. Please ensure that you are respectful and park in single file in an appropriate place, and be mindful of blocking access to private properties.

CHICKEN POX

We would like to make our community aware that there have been a few confirmed cases of chicken pox across our school. Please check information that was sent home with students last week and contact the school if you have any questions or concerns.

GRADE 1-2 & 3-4 CONCERTS

Our 1-2 and 3-4 classes are starting to become very busy with class concert preparation. Unfortunately as per last year our gym is unable to hold a large audience while maintaining the Department of Education Government School site procedures for social distancing. As a result concerts unfortunately won't be able to have a parent audience in attendance. Like last year we will be providing a live stream and recording the concerts to share at school and home. Further information will be in the upcoming newsletters and emailed out to parents. The Live Stream of the 1-2 concert will be on Tuesday the 14th of September (week 9) and the 3-4 concert on Thursday the 16th of September (week 9). We aim to live stream these concerts using Microsoft Teams. They will also be recorded and emailed out to all families involved. We will have more information about this in next week's newsletter.

MATHS RELAY

A big congratulations to our Grade 5-6 Maths relay team that competed at the MAT Maths Relay Competition held last Sunday. The team of Sienna Baker, Ruby Porter, Samuel Overs and Isabella Martin competed against maths teams from around the state. We can be very proud of the resilience, problem solving and teamwork displayed by these students in order to solve a number of complex maths problems. We would also like to acknowledge Mrs Lauren Beams not only for her commitment to our Hagley team, but also as one of the main organisers of the entire competition. Super effort!

MATHS RELAYS

On Sunday, Sienna, Samuel, Ruby and Isabella represented our school in the annual Mathematical Association of Tasmania's Maths Relays. They displayed excellent team work, persistence and strong problem solving skills. They are to be commended on their effort. When asked what the best thing was about the relays, one of the students responded "Doing Maths" What a great example of a love of learning and an understanding of how fun Maths can be.

GRADE 5/6 CAMP

A reminder to those students going on camp that they will need to take their own pillow, also if they don't have a sleeping bag they will need a doona or blankets. The campsite no longer supplies these items due to Covid.

GRADE 5/6 SPORT

There is no Grade 5/6 Sport this week due to some classes being on camp.

NEWS FROM THE LIBRARY

Book Parade – What a wonderful event! I was so proud of the involvement and excitement. It was lovely to receive an email from some grandparents who shared the following; *Many thanks for the opportunity to see all the Hagley school children celebrating book week. And what a well organised event and the children so beautifully behaved.*

One of the highlights for me was to see the variety of books represented from well known fictional characters through to a wide range of non-fiction texts.

I encourage you to capture the engagement we saw at the Book Parade and make reading part of your family's daily routine. Reading alone, reading together, reading aloud, reading no matter the age, or reading ability of your child. It all adds up.

Click here to view our Book Parade Sway with lots of photos of the event – more photos will be added over the next few days.

Book Fair - The Book Fair has now closed. It was lovely to see so many children proudly buying their own book. We were able to earn over \$1000 worth of free books for our library! Books that have been ordered for children should arrive by the end of next week.

Book Club – The next issue of Book Club is available. As it is so close to our Book Fair I will not send out to classes but the brochure will be available from the library if you would like your child to collect one. Orders will be due next Thursday the 9th of September, 9pm on the LOOP app or via Scholastics' website.

Aussie Heroes – We will be offering **Aussie Heroes Swap and Share** sessions again while the Paralympics are on. These will be in the library at recess time on Wednesdays and Thursdays.

Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician).

"Most children love to have stories read to them, and even though these books are not often part of formal reading instruction, the listening experience leaves children eager to learn to read."
