

FROM THE PRINCIPAL'S DESK

Hello everyone,

Country Gold Competition

One of the highlights of being in Grade 5 and 6 is having the opportunity to try out and represent Hagley in the Northern Midlands West team in the Country Gold Sports Competition. Last Thursday and Friday we had 30 students participating in the carnival - playing hockey, soccer, football and netball. Congratulations to everyone who represented us in the carnival. We are very proud of their level of participation and sportsmanship. I would also like to acknowledge Carol Spencer, Leah Coker-Williams and Brent Cole in their roles of coach and manager of the netball and Hockey teams. We are proud to have Hagley represented in adult support roles for this important annual sporting event. We will have some more detailed reports for the carnival next term.

School Satisfaction Surveys

MANY THANKS to those members of our parent and staff community that responded to the 2021 Staff and Parent Satisfaction Surveys – we thank you for your participation and valuable insights! For those that participated, Hagley Farm School will be provided a summary of responses in the coming weeks. As soon as we are able to, we will provide feedback to you on the survey outcomes.

School Association

Last Friday evening our School Association Committee hosted a fundraising Quiz Night at Quamby Estate for our parent and local community. What a success this was. It was wonderful to see so many of our current and past school community members having such an enjoyable time together. The intention for the evening was to reconnect our community together during these times where it is difficult to get together. Congratulations to the organisers of this event – Kisha Bosworth, Shiona Brooks, Jane Heazlewood and Anna Clarke. It was an outstanding and successful evening.

Grade 1/2 and 3/4 Concert Performances

Last week our Grade 1/2 and 3/4 classes presented their Class Performance items for the whole school and then online for our parent community. Each performance was fabulous and showed so much dedication, learning and courage from students to present the items. I was so proud of each class and every student, and most especially of those who struggled to be onstage but worked through this to be successful. To work through feeling anxious and to be resilient is something we are really proud of and celebrate with our students. Our teachers have worked hard with their classes in preparation for this event – and I congratulate them for their creativity and the performances from their students.

NEWS FROM THE LIBRARY

Keep Reading at Home in the Holidays

We would love to see some photos of your family's reading adventures during the 2 week break. Catch your family reading on the couch, at bedtime, in a tent, in the backyard, in the cubby, in a fort made of blankets, reading with the dog, the cat, a teddy bear! Send your photos in via email so we can pop them in the newsletter and on display in the library.

Here is another great tip from famed Australian author Mem Fox...

Read the stories that your child loves, over and over, and over again, and always read in the same 'tune' for each book: i.e. with the same intonations and volume and speed, on each page, each time.

Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician)

LOST PROPERTY

Our lost property basket is once again overflowing. If your child has misplaced any items of clothing please encourage them to come and have a look for it before the end of term. We have many fairly new clothing items in the office that are unnamed, this makes getting them back to their rightful owner quite difficult. Please remember to name your child's clothing clearly and permanently so we can get them back to them should they be lost.

BREAKFAST CLUB

Our ever popular breakfast club is continuing to operate on Wednesday mornings. Everyone is welcome to come along and purchase a bite to eat on their way to class.

NORTHERN MIDLANDS WEST EARLY CHILDHOOD FUN DAY

Last Friday the 17th of September, Hagley hosted the Northern Midlands Early Childhood Fun Day. Mole Creek, Deloraine, Westbury and Our Lady of Mercy came to Hagley to participate in a huge range of fun activities to promote health and physical fitness. All students had a great day, with many commenting that they enjoyed the engaging activities on offer.

A huge thanks goes to Mr Preece and all the Grade 5-6 students who assisted in the smooth running of the activities. To finish the day our School Association catering committee put on a wonderful sausage sizzle for all schools involved. A big thanks to Chris Cheek and his team for supporting this.

HANAMI JAPANESE CHERRY BLOSSOM PICNIC

This Sunday on the banks of the Meander River at Deloraine,
we will be having a hanami. A Hanami = flower viewing and
the picnicking under the cherry blossoms.

It is a state-wide gathering of Japanese people and fans. I will
be bringing my sumi-e brushes so people can try some
Japanese painting.

The Yoshino Cherry blossoms were donated by a company
that buys buckwheat from Tassie for its soba noodles and one
of our families is producing this crop right here in Hagley!!

Hope to see you, matta nichiyoubi!

Time: 12:30pm on Sunday 26th September

Location: East Parade near the bridge on the Highland Lakes
Road

What to bring: picnic food, something to share, blanket or
tarp to sit on
