FROM THE PRINCIPAL'S DESK

Hello everyone,

Oh, my goodness – we are now at week 8, with only two more to go after this one. It is incredible how fast the days and weeks are passing us by. Teachers have now completed their reports for families, and these will be sent out next Friday, 10th December. In the next two weeks, we have many events to celebrate our student participation and learning at school. Our end of year Presentation Assemblies and celebrations are closed to our general community. We understand that this is disappointing, however, we are following Department of Education, and Department of Health policy to ensure the health and safety of our community. Parents and carers will receive an invitation to attend if they have a child who will be receiving an award.

Following on from this, our Kinder and Prep and Grade 5/6 classes will be performing their end of year Concert/ Performances in the next 2 weeks. They have been working hard, dedicating so much time to perfect oral performance, dance, singing, movement and confidence. Again, we are not able to welcome our community for live performances, however we will be live streaming both events.

I have been sharing the story over the past few weeks of our Visitor Centre and our plan to change the name. Last Friday evening we held an open event to share the work of the Visitor Centre and receive feedback from the community. I really appreciate the parents who came to join us, and I would like to thank the Visitor Centre team, including Scott, Tristan, Mike, farmer Lesley and Andrew who stayed late to share their work with others, and also Chris Cheek who manned the barbecue for us.

Today I will share a link to a Forms document, where you can have input on the new name for our Field Study Centre. I really encourage you as a member of our school community to contribute your ideas.

Please use the link below to contribute your thoughts, based on the information provided.

And, one final reminder. Don't forget that next year navy blue socks become a compulsory part of our school uniform. This was ratified by the School Association in 2020, with 2021 being a phasing in year, and 2022 becoming compulsory. We have had really positive feedback from families and students who are already the navy blue socks, and I think they look terrific with our uniform.

SCHOOL CONCERTS FOR TERM FOUR

All parents of Kinder and Prep students were sent an email last Friday with the link for the concert on Thursday. Please check your inbox today (including your junk folder) for this email. Should you not have received it, please contact the office and we can re send it to you.

The link for the 4/5/6 Concert will be sent a few days before this concert next Wednesday.

Both of these performances will also be recorded so you can watch them at a later time.

END OF YEAR EVENTS

As we still have to comply to Covid restrictions in regards to density limits for indoor spaces, we have to once again this year limit the number of adults attending our end of year events.

Our performances are being live-streamed and recorded for your viewing. Our end of year assemblies also have to have reduced audiences.

Our Early Childhood and Grade 3-5 Presentation Assemblies are invitation only events. All parents of students who have been awarded an end of year prize have been emailed to extend an invitation for 2 adults to attend these assemblies. For our Grade 6 Presentation Assembly we can allow 2 adults per Grade 6 student. Parents/Carers of students receiving an award at this assembly will also be notified shortly.

Leaver's Dinner

Our Grade 6 students received their invitation to their dinner last week. Their acceptance and payment is due to the school office. Please ask your child if you haven't seen this information.

Church Services

Our Prep - Grade 2 classes and our Grade 5/6 classes will be attending St Mary's Church for a Christmas service. Should you wish for your child not to participate, please contact their teacher. If the weather is kind, we will walk through the paddocks to reach the church, and so your child may need to take hayfever medication that morning if they have allergies.

WESTBURY SHOW ART PRIZE WINNERS

Pictured are our students who won prizes at the recent Westbury Show. Congratulations to them all.

NEWS FROM THE LIBRARY

All Books Now Due – Student and parent loans are now due back at the library. If students have a book they wish to finish reading they will be able to swap it into their IPICK/book tub (Grade 1-6) until the last week of term.

If you receive an overdue note – *PLEASE RESPOND*. It is vital that we receive a note, phone call or email if you are unable to return the books.

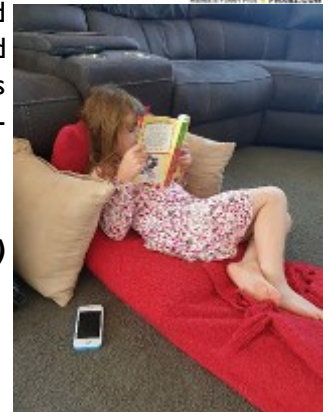

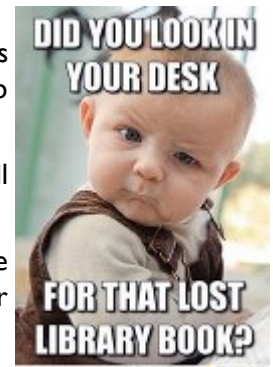

Book Club – Our last order was placed over the weekend with books expected to arrive late next week. Thank you to all families who have ordered Book Club throughout the year. Your orders have provided many free books for our library.

Reading at Home – Avoid the holiday dip in learning by setting up and maintaining good family reading habits. Aim for 15 minutes of read-aloud time a day – this can be spread across the day or completed in one session. Look for some suggestions in next week's newsletter for good multi-age read alouds, and some other holiday reading tips and options.

Happy reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian) and Mrs Bronwyn Walker (Library Technician).
