Primary - Host: 3/4 K Share: 5/6 S

Canteen Call Out!!

We need your help. Our Canteen needs more volunteers, especially whilst some of our regular volunteers are away. Please contact the office if you are available to help.

From the Principal

Hello everyone,

Last week I was privileged to attend the Tasmanian Principal Conference in Devonport. There were many speakers that I learnt from, was inspired by, and want to continue to learn more from. The theme of the Conference was Capturing Hearts and Minds, and Shaping Futures.

For me, the most inspiring speaker during the Conference was Christine Finnegan, the CEO of the Jack Jumpers. The vision that they have and the work that they do to focus on their community is outstanding. The link that Christine made to the Values of the Jack Jumpers community was so relevant to the work that we do at Hagley Farm School to align behaviours and expectations to our School Values. I connected most especially with our Values of Connection, Respect and Responsibility. The JJs work so hard to connect to the Tasmalian community and align their values with their work ethic. We want all of our young people to have a strong connection to school, to understand what respect is and be respectful, and be responsible for themselves and their behaviours – and we work hard to support this in each and every student.

Sadly, we see many of our students not connected to school, and as a consequence not attending school regularly. We reach out, we ask why, we try to find ways to support families to improve the attendance of their children. When our students are not at school, we are not able to support their wellbeing and their ongoing learning. We urge every parent to consider how important every day at school is for every child.

Connection, Responsibility and Respect; School, Learning, and Friendship. These are critical elements to be engaged as learners and members of communities. If you would like support or resources to help to improve the attendance of your child at school, please reach out to us. We are here to help.

ATTENDANCE

If your child is away for any reason, it is important to let the school know as soon as practicable. You can send a note, call, email or reply to the text message sent to you the day of the absence.

We are currently at 132 unexplained absences in term 2 so far, a number of these are for days that follow an explained sickness. **We are only able to record absences as explained for days that are stated by the parent/carer.**

When notifying the school of student absence, each day/date should be given to explain each of the days that the student has been away.

As part of the Department of Education’s attendance guidelines, once a student has 5 days of unexplained absences, families will be contacted via a letter.

5/6 SPORT

The 5/6 sport roster continues this week! We are playing away this week against Cressy at Cressy District School. Games will commence at 1.00pm – Football, netball and hockey teams will be travelling.

Family and friends are more than welcome to come and watch.

We ask that students have a packed lunch on Fridays for term 2 and 3 and do not order pies and sausage rolls on 5/6 sport days.

Cameron Lynch
P.E Teacher

SCHOOL ASSOCIATION NEWS

The School Association are working with the school to enhance the learning opportunities and productivity of the school vegetable garden. We are hosting a working bee on this Sunday, 2nd June. All experience and age groups welcome. Please let the school office or Jane 0439 877 573 know if you can attend so we can cater for a sausage sizzle on site.

HAGLEY FARM SCHOOL

VEGE GARDEN
Working Bee

SUNDAY 2ND JUNE 10.30 - 1.30

**Please come along and join us in
preparing the garden for learning**

Weeding, pruning, mulching
Enjoy a sausage sizzle on location

All ages and levels of experience are welcome

Any queries please contact Jane - 0439 877 573

HAGLEY FARM SCHOOL CROSS COUNTRY

The weather was a little chilly last Tuesday, but the running was hot. It was fantastic to see many spectators here at school to cheer the runners on. From our smallest students to our Grade 6s, they all tried their best and showed great endeavour. The level of sportsmanship and support amongst our students was commendable with some of our older students running alongside the younger ones offering them encouragement along the way, as well as competing in their own races. In our Primary Carnival the winning house was Dry and Evie and Lachie were our Grade 6 champions.

Next week the top 5 students in our Grade 3-6 events will be representing Hagley at the NMPSSA event at Deloraine. We wish them all the best for this carnival.

Meander Valley Council, Westbury Health and the Local Drug Action Team are working together to develop a preventative community wellbeing program in Meander Valley for young people. The first stage in this program is to gather information from local young people about their concerns, ideas and initiatives. All participants go in the draw to win a \$100 gift voucher. The more data we gather the more informative the program will be.

CALLING ALL YOUNG PEOPLE IN MEANDER VALLEY WE NEED YOUR FEEDBACK

Westbury Health, Local Drug Action Team (LDAT) and Meander Valley Council are gathering information about young people in Meander Valley to inform future planning. We would like your ideas and perspectives about your experience of being a young person in Meander Valley.

Complete the survey and go in the draw to win a \$100 gift card

To complete the survey scan the QR code or go to the link:
