From the Principal

Hello everyone,

We had a few celebrations last week. Last Friday morning, we were excited to welcome Scott Roth, the coach of the Tasmanian Jack Jumpers, to join our Grade 3 – 6 students to share his wisdom and advice about engagement, community, participation, sport, and lessons for life. Being humble and community focussed was at the heart of his messages. Our students provided some really focussed questions and Scott's answers focussed on how we are together as a community, – young people, and adults. He provided so many messages that we could all learn from, and I truly hope that all of our students took at least one of these messages away from the assembly with them. I reflected on many of them. Mr Marshall's class spent time afterwards reflecting on Scott's messages and developing posters with their most important learning. Some are included in this newsletter.

While we had Scott Roth visiting us, we used the opportunity to announce the Athletics Carnival winner. Congratulations to Dry House, as they achieved the most points overall. Well done to all Dry House competitors – every point counts, and they were able to pip Bennett by just a few points. A fantastic effort. Well done to Dylan and Huon who made a great impromptu speech to the grade 3 – 6 students after receiving the House Trophy from Scott Roth. What a privilege!

Also, congratulations to the Athletics Champions, who received their trophies from Scott as well. The champions are decided from points accumulated from each event they participate in and their place in each. Congratulations to Dylan as Boys Champion and Isabelle and Zoe as equal Girls Champions. An amazing effort from them during the carnival.

Tomorrow our Grade 5/6 students will be heading off on their biannual camp. This year it is to Camp Clayton. This is such a big event for our Grade 5/6 students, and we are really excited that it is happening so early this year, so that the learning opportunities of collaboration, cooperation, team building, trust, and our school values can be transferred into our interactions together throughout the year.

I want to acknowledge and thank every teacher and teacher assistant who will be attending the camp. They all leave their families at home; they all are working 24 hours a day for the time that they are away. They are on call at all times, and significantly, they are not paid for this. Their commitment to our students, so that they can experience the opportunities of being on camp, is massive. Without their amazing support, camp could not take place.

SO, thank you to Mr Marshall, Miss Shermann, Ms Styles, Mrs Richardson, Miss Brooks and Mrs Beams – what a team. We are so grateful to you for being so willing to support our students for such a significant learning opportunity.

EARLY CHILDHOOD TABLOID SPORTS

Last Friday was an absolutely fabulous day in the sunshine for our early childhood students. They participated in many different activities led fantastically by our Grade 6 leaders. The students demonstrated great resilience and courage in participating in activities they had perhaps never attempted before. A big thank you to Mr Ankin and Mr Lynch for their organisation. The morning was thoroughly enjoyed by all.

NEWS FROM THE LIBRARY

Tomorrow is **International Read To Me Day!**

What will your family read together tomorrow on International Read To Me Day? We know that life is busy, but we hope you can find some time for a read aloud. Even 10 minutes is beneficial.

Don't forget that all Hagley Farm School families are able to access [Story Box Library](#) via our school subscription. This is a great option to add a read aloud to a busy day!

You can do this online at their website or by downloading their free app. We recommend watching these stories with your children, to allow you to discuss any tricky topics, talk about new vocabulary, and share connections your children can make with the story.

INTRODUCING NURSE AMY

I hope this message finds you well and that your child/ren have settled into the 2025 school year. My name is Amy Bradley, and I am School Health Nurse at Hagley Farm Primary School on Tuesdays.

Throughout the year, I will be focusing on many health education and promotion activities covering a wide range of topics. It is my aim to empower your children with the knowledge and skills they need to make informed choices and lead healthy lives.

I will be conducting Kindergarten Health Checks for all kindergarten students. If there are any specific concerns regarding vision and hearing, I am also able to conduct screenings for all primary school students upon request. Please note that consent forms must be signed by a parent/guardian prior to any assessments, including kindergarten health assessments.

Just a reminder all students with a medical condition or who require medication (prescribed, non-prescribed and self-administered) while at school must have an up-to-date annual Medical Action Plan. Administration of Medication must be authorised by a parent/guardian/carer using the Authorisation for Administration of Student Medication Form A-non-prescribed for non-prescription medications and for prescribed medication, parent/guardian/carer must ensure that Administration of Student Medication Form B-prescribed is completed by a doctor, pharmacist, or practice nurse and signed by the parent/guardian/carer.

If you have questions or concerns about your child/ren's health or want to learn more about the role of the school nurse, you can contact me via the school office on Tuesdays. Alternatively, you may reach out to me via email at amy.bradley@decyp.tas.gov.au at your convenience.

Wishing you and your family a fantastic start to the year!

SCHOOL ASSOCIATION FUNDRAISER

The school association are holding a fundraiser between now and the end of Term 1. Each family has been sent home today a brochure from Tesselaar. If you would like to add some colour to your garden please place an order and ask your family and friends if they would like to purchase any bulbs. We suggest that you combine orders to reduce postage costs eg only place one order per family by collating any orders you collect into one order. Should you have any questions or need any help please contact Jane on 0439877573.

GARDEN COMMITTEE

Garden Club continues fortnightly Tuesday mornings from 8.30am.

Today we spread compost kindly donated by Prospect Timber and Landscaping Supplies.

We are delighted to see classes enjoying the Vegetable Garden and sharing produce from the garden on the cart with the school community.

Today we collected some scarlet runner bean pods and seeds to sow in Spring. We will introduce seeds to the cart as they become available.

WORKING BEE: Sunday 30th March 11 - 1pm BBQ provided. Join us to continue caring for this amazing resource. No skills required. All welcome.

SCHOOL ASSOCIATION

Reminder

School Association Annual General Meeting is being held on Thursday 27th March 2025, 6pm @ Iron Horse Bar & Grill, Prospect Vale. Following the AGM a general committee meeting will be held commencing at 7pm. All very welcome to attend either meeting. Food and drinks will be available to purchase on the night at your own expense, with the opportunity to eat your meal during a break in the meeting. Copies of the agendas are attached separately to today's email.

If you are attending, please RSVP to hagleyschoolassociation@gmail.com so we can ensure enough seats are booked at the table.

Nominations for the School Association Committee close on **Wednesday 26th March 2025**, if you are interested in joining the committee please get your nomination form submitted ASAP, a copy is attached with today's newsletter. If you have any questions about the nomination form or would like more information about joining the School Association please email hagleyschoolassociation@gmail.com or talk to a member of the current Committee (see flyer with Committee member names & contact details).
