From the Principal

Hello everyone,

On the weekend, 33 Grade 5/6 students (5 teams), participated in the Basketball Tasmania Grade 5/6 Tournament. It was a pleasure to watch so many of our students display such high levels of determination, grit, fabulous sportsmanship, teamwork and enjoyment. We are so proud of the feedback we received regarding our students and the way they played and interacted with other schools and referees over the course of the weekend. Having this many students involved is a large undertaking and I would like to thank the following people for their commitment to ensuring so many of our students were given the opportunity to participate:

- Jeannette Layton, Simon Donovan, Austin Brooks, Janine Harris and Cameron Lynch for coaching a team.
- Courtney Jenkins, Alana Donovan, Shiona Brooks, Lauren Beams and Kylie Lockett for managing a team.
- Our office staff for assisting with the communication and organisation for the weekend.

This weekend it is our Grade 3/4 students turn, please watch our Facebook page for game times and if you can, come along to support our teams. Entry to all venues is free.

At the end of this week, our Primary Progress Reports will be sent home to all students in Grades Prep to 6. This report assesses across ten indicators how your child has settled into the new school year and how they are applying themselves to their learning. Please take the time to read this report with your child, celebrating the areas they are doing well in, and discussing areas where there is room for improvement.

Our Kinder teachers have already sent home their Evidences of Learning for this term, these are assessed against the Early Years Learning Framework. Our students in Grades 1 to 6 will all receive an Evidence of Learning for English this term. These Evidences of Learning are a way of communicating with families, where their child is currently in terms of a specific skill or knowledge set relevant to the specified curriculum area and aligned with the Australian Curriculum.

Again, please take the time to read and discuss these Evidences of Learning with your child/ren. They are a great way of celebrating learning with your child, provide positive feedback on what they can do and the growth you can see. The Evidence of Learning also provides you with insight on the next steps for your child in their learning journey.

Lastly, in the school holidays, the Hagley ANZAC Day service is held. We traditionally support this service by laying a wreath, having students read what ANZAC Day means to them and accepting books that are donated to the school. Please see information below in today's newsletter regarding this service. We welcome all Hagley Farm School community members attendance at this service. If your child can attend, please let Mrs Beams know by the end of this week, to allow her to allocate students to roles for the service.

ANZAC Day Service

Traditionally our school has had student representatives attend the Hagley ANZAC Day service. Continuing with this tradition we are asking our students, particularly those who hold a leadership position in our school to attend and we are inviting all members of our school community to join with us. ***The service is on Friday the 25th of April at the Hagley Recreation Ground at 9.45am.***

We are aware that this falls in school holidays and we understand if you cannot attend. To assist with our planning of this, as we need students to lay a wreath, accept books on the school's behalf and do a reading based on what ANZAC Day means to them, can you please indicate if your child can attend via email to Mrs Beams lauren.beams@decyp.tas.gov.au by Friday the 4th of April.

Grade 5/6 students who are interested in doing a reading at the service are required to write a piece of text about what ANZAC Day means to them and email it to Mrs Beams by the 4th of April. Mrs Beams will read these and select between two and four based on the following criteria, writing MUST

- show an understanding of ANZAC Day and what it is about
- describe what ANZAC Day means to the writer personally
- show an understanding of the impact of war on society

If you have any questions, please feel free to contact Mrs Beams.

NMPSSA ATHLETICS CARNIVAL

Friday the 28th of February saw 35 students travel to the St Leonards Athletics Centre for the NMPSSA Athletics Carnival. Our students battled the challenge of very warm weather and gave it their all in every event that they went in. Their behaviour and support for each other was exemplary, cheering the performances for all competitors. Congratulations to all who were involved. From this carnival a team will be selected for the State Athletics Carnival, the date for this carnival will be Friday 9th of May.

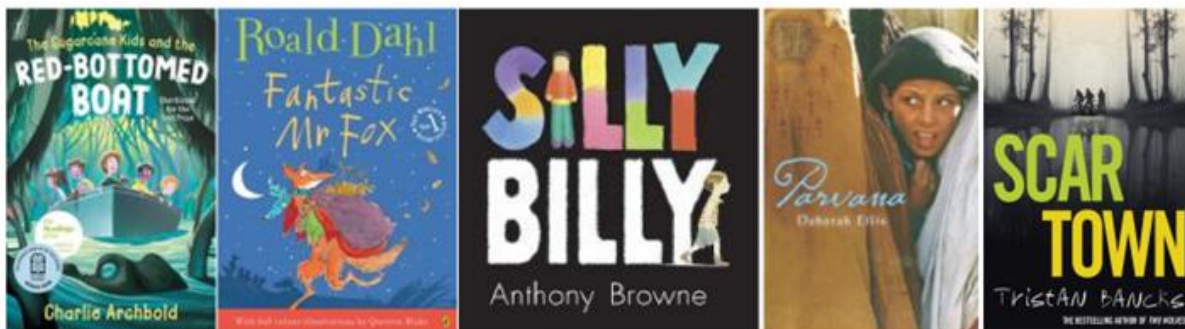

NEWS FROM THE LIBRARY

Readers' Cup

Readers' Cup is an optional reading competition for grade 5/6 students. Students create a team of no more than 6 people, reading 5 set books over 5 school weeks. Teams then complete a quiz about the books and present a short creative presentation about one of the books in our school final.

This year the books are those pictured below, and we have just over 30 students who have opted to join in. We will hold our school final in Week 3 next term, and our winning team will then represent Hagley at the Inter-school Final, competing against 17 other Northern primary schools for the chance to win the trophy – which is known as The Readers' Cup.

SCHOOL ASSOCIATION GARDEN CLUB

The School Association Garden Committee is so grateful for those who braved the cold windy day and generously donated time to attend the working bee. Everyone, from 3 to 89 years old, left feeling happy and accomplished at finishing off the pathways and prepping more beds for planting. The students were so happy to share their food & fibre experiences in the garden with their parents on the day and show them where they have planted seeds.

We'll be back in the garden on Tuesday 830 - 930 for Garden Club - all welcome.
