From the Principal

Hello everyone,

What massive days at Agfest for our team of volunteers. I am so grateful to everyone who volunteered their time over the Agfest days to help us to deliver a great service to the community. Chris Gee – our School Association Chairperson and leader of the Food Van, did an amazing job of coordinating a massive enterprise, so that we had great food ready and available to the people who visited our van. And he was supported by Alana Donavon to make sure that everything was in place at the right time. Huge appreciation from me and the community to them both.

Sadly, our van was placed in a site with limited access to the Agfest crowds. This was disappointing and has had a significant impact on the fundraising that we will make. However, the Food Van at Agfest is a Hagley tradition of over a quarter of a century, and is a beloved community event – creating new connections between our parent community and continuing the traditions of our past. So, for that I am grateful. During the days I met with several old scholars from the 1960s who shared their memories of the school with me – how special is that!

Community is at the heart of our school. Working together to achieve good things for our young people is what we all want. The Food Van is the meeting place of our community to get this done. Thanks everyone involved for your enthusiasm and support.

The Food Van will be back up and cooking with our volunteers for Mother's Day on Thursday morning. Again, after a huge few days, our volunteers will be stepping up to provide a Mother's Day breakfast so that our community can say thanks to our Mothers, Stepmothers, Grandmothers, Aunties and all the very special ladies in our Hagley School Community. What an amazing group of volunteers! I thank them often, I hope you do too.

Happy Mother's Day for Sunday.

Good luck to our team of athletes who will be participating in the State Athletics Carnival on Friday.

MUSIC – 5-6 SHERMAN – DRUMS!

Last term 5/6 students developed their drum playing techniques.

Students learnt three different rhythms on body percussion first and then moved that learning onto the drum kit.

On the final lesson of the term, students shared these new skills with their whole class. Students were showing much courage to step out of their comfort zone and show their peers their new skills.
