

From the Principal

Hello everyone

Welcome to the last week of Term 2 – the half way point of 2025.

This week we will be saying a very sad farewell to Mrs Bec Mason, as she heads off to work in a new leadership position with the Department for Education, Children and Young People. Mrs Mason will be taking a position as an Inclusive Practice Coach, where she will work with teachers across schools to ensure that we embed practices that include the diversity of all of our students. And there are none better than Mrs Mason for this. We wish her well as she joins a new team for the next twelve months, and we also can not wait to welcome her back. Good luck and all the best Mrs Mason. We wish you well.

I am waiting on approval from Learning Services to be able to announce the new replacement teacher for Mrs Mason – and for families of Prep Mason. I am very hopeful that I can do this before the end of this week.

This Thursday our student leadership group will host our End of Term Assembly where we will recognise two students from each class who have modelled behaviours that reflect one or more of our Values in our school. This is always a very special assembly for me to provide appreciation and recognition to students for their positive behaviours towards learning, being respectful to others and themselves, for having courage and taking responsibility. We have sent invitations out to parents and carers of students receiving certificates, and we always welcome everyone to join us for our assemblies.

Recently, we have become aware of some very inappropriate use of phones on buses. Images have been taken of students and shared online, students have made unacceptable and disrespectful comments about other students and these have been saved on phones, while there has been clear intent it has been to share online.

I urge all parents to be aware of what your child is doing with their phone. If they bring one to school our policy is clear – no social media while on the bus, no posting online, no filming or photos. This is to ensure the safety of all students – images posted online are there forever, uniforms show where young people are from. All devices must be handed to the Office during the day in line with the DECYP Off and Away All Day Policy.

For families who are looking for support – this website has strategies and advice. Please consider exploring the supports that it offers, so that you can support your children to be safe online.

[Online safety | eSafety Commissioner](#)

I hope that everyone enjoys a safe and enjoyable holiday, doing the things that you enjoy together. We look forward to seeing all our students back at school on Monday 21st July.

VALUES TOKENS

Week 9 Term 2 –

Early Childhood

Toby B, Khloe H, Henry H, Rosalind H, Harry S,

Primary

Max D, Thomas J, Annabell R, Isaac J, Harvey C,
Leo F, Mason P

News from the Library

Premier's Reading Challenge 2025

A reminder to keep reading over the holidays. Spare reading log pages are available in the library. **We would love to see some photos of students and their families, including pets, enjoying some family or individual reading time over the holidays - send your photos through to Mrs Marston – jessica.marston@decyp.tas.gov.au**

Non-Fiction Fun! – This term, we have enjoyed highlighting students who have used a non-fiction library book to inspire them to try something new, or to improve their skills at home. Look for our final example elsewhere in the newsletter.

Story Box Library

A reminder that families are able to access our Story Box Library subscription from home. This is a great way to add some read-alouds to your child's Premier's Reading Challenge list. You can find Story Box Library online or via their free app – just use our school login to access.

Story Box Library School login details:

Username: HFS
Password: stories281

SORA – Audiobook and ebook app

Over the last two weeks of term Grade 3-6 students have been shown how to access SORA which is an ebook and audiobook platform provided by DECYP. Students need to log-in using their school username (email address) and the password they use to log-on to school devices.

Student usernames/emails are generally written in the following format:

firstname.lastname.00@education.tas.edu.au although some students will have a .01, .02 or other number. Your grade 3-6 child should know their unique name/number combination.

Login via the Sora webpage – click on or search for **Education Tasmania** when asked to find your school, then log-in. There is also an app you can download. <https://soraapp.com/library/educationtas>

Happy Reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian - Monday, Tuesday, Wednesday) and Mrs Bron Walker (Library Technician - Tuesday, Thursday)

Writing Workshop

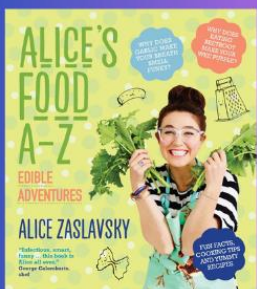

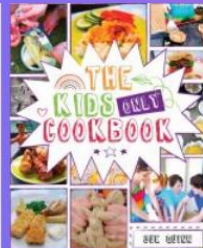

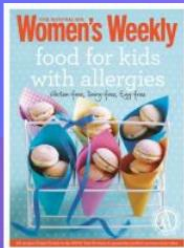

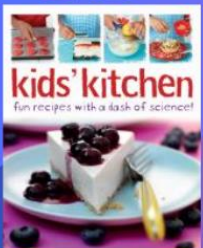

Last Wednesday some of our grade 3-6 students participated in an online writing workshop with well known Australian author Sally Rippin, thanks to the State Library of Victoria.

Delilah's Cooking Creations!

Delilah used a recipe from her library book to make these delicious creations! Yum!

We hope you have enjoyed our **Non-Fiction Fun at Home** series this term. Next term we will feature students' Premier's Reading Challenge efforts.

JK01K

KIDS STADIUM OXFORD/FLEECE JACKET
