VALUES TOKENS

Week 10 Term 2 –

Early Childhood

Lacey, Harry, Josie, Harrison, Mackenzie, Penny, Indigo, Mayson, Sam, Violet, Archie, Ella, Vincent, Marlee

From the Principal

Hello everyone

A warm welcome back to Term 3 at Hagley Farm School. We are really excited to be back at school with all of our students and families for this full ten week term. It was fabulous to welcome our students back to school yesterday – so many smiles and obvious pleasure to be back to school, connecting with friends and teachers.

A few changes were really well received by our students and teachers on arrival yesterday. During the holiday we had new and larger bag boxes installed for 5/6 Marshall and Styles, as well as painting the foyer and new glass doors. This has made the arrival space so much more welcoming. It also adds a greater level of ownership and need for respect for the students in a space that has been modified for them.

We have also had a large wooden deck built on the front of Miss Garwood's classroom – facing out into the soccer fields and the swing/barn area. It is an amazing space, and I really look forward to us developing new creative activities to take place there.

This week we will be posting home individual NAPLAN results for our Grade 3 and 5 students who participated in this National Testing earlier in the year. This information is sent to us to distribute to you. NAPLAN is 5 separate tests in 5 learning areas – Numeracy, Reading, Writing, Spelling, Grammar and Punctuation over a two week period. The information sent to parents gives you a sense of how your child performed on the day in each test. There will be information in the envelope to help to understand the report.

As a school, we value the data that NAPLAN gives us. We receive data that compares our year group students' performance to that of similar schools, as well as the Australian and Tasmanian school averages. We look for patterns which provide us with information about where we need to provide more focus in certain areas of the curriculum. This week our teachers will participate in a session to delve into this data and provide their insight into our strengths and the areas that we need to give more depth in our teaching for all of our students.

If you have a question, concern, or just something to discuss regarding the NAPLAN information, please contact your child's teacher to arrange a time to meet together.

Already this week we have significant levels of staff sickness, and therefore relief teachers and teacher assistants in our school. However, we are also struggling to find enough relief to fill these positions. I hope that this is just an issue for this week, but I doubt that it is. Please understand that when we can not provide relief for a class, we have done everything that we can to find someone, there are just few relief staff available. Where we can, our leadership team will take on teaching relief roles, however, this may result in collapsing classes to enable overall school support.

News from the Library

Premier's Reading Challenge 2025

How are your reading logs going? We would love to see some photos of students and their families, including pets, enjoying some family or individual reading time - send your photos through to Mrs Marston – jessica.marston@decyp.tas.gov.au

Here is Miss Viney reading ***Dogs Just Know*** to Silas...

If you have completed your reading log, collect a new page from your teacher or from the library.

Non-Fiction Fun! – Last term, we enjoyed highlighting students who have used a non-fiction library book to inspire them to try something new, or to improve their skills at home. Look for our final example elsewhere in the newsletter.

Happy Reading from the Library Team – Mrs Jessica Marston (Teacher-Librarian - Monday, Tuesday, Wednesday) and Mrs Bron Walker (Library Technician - Tuesday, Thursday)

Beautiful Bunnies!

Sophie had her 8th birthday last term. She and Chelsea were both given a very special gift.. a pet bunny each! Their names are Bella and Rose and they are Netherland Dwarfs.

Sophie borrowed this book to learn more about them 😊

School Association News

The next School Association Committee Meeting will be held on Tuesday, 29th July 2025 at 6pm at the Iron Horse Bar & Grill, Prospect Vale.

Food and drinks will be available to purchase on the night at your own expense, with the opportunity to eat your meal during a break in the meeting.

All very welcome to attend and we would love to see some new faces!

Please RSVP to hagleyschoolassociation@gmail.com so we can ensure enough seats are booked at the table.

Please see the Agenda below -

Agenda

Hagley Farm Primary School Association

'To foster the well-being of students by engaging with our school community'
