Primary:

Oscar, Sam, Mason, Amy, Rachelle, Harley P, Noah

Assembly Roster

Week 10 Friday 26 th September	Whole School – Student Leaders
---	-----------------------------------

From the Principal

Welcome to Spring. How lovely to see longer days and (the hint) of some warmer weather. With four weeks to go in this term there are many events coming – especially this week.

Today our Grade 5/6 Vocal Group have been practising with many other schools to perform tonight at Singfest. This is an annual event, where schools perform together on mass – after practising individually, and then come together on the day to practise and evening to perform. They also perform as individual schools. It is an outstanding showcase of the musical talents of the students of Northern Tasmania. Thanks to Miss Reid for her work with coaching the Vocal Group towards today.

An added excitement is that this year Hagley was asked to co host the evening alongside a student from another school. This evening Ariana Eyles will be sharing the role of Master of Ceremonies (MC) with a student from East Launceston Primary School.

I wish Miss Reid, the Vocal Group and Ariana the best of luck for the day, and especially for the evening and I can't wait to enjoy the performances along with our school families.

On Thursday, a team of 18 Grade 5/6 students will be participating in Write a Book in a Day. This is a national competition where students, in teams, write and illustrate a book from cover to cover. The competition is designed to raise awareness and support for children with cancer. Finished books will be published digitally for children in hospitals around Australia to read and enjoy. Students have been fundraising over the last few months. If you would like to support this event by sponsoring students or teams from Hagley, access the following link –

<https://writeabookinaday.com/sponsor-a-student/>

So far students have raised over \$2100. Good luck to the three teams on Thursday. We look forward to sharing their creations.

Also, on Thursday our School Association are hosting a Father's Day Breakfast for our community. I am in awe of our volunteers who work tirelessly to support celebrating members of the school community – this time it is our Dads, Granddads and Dad figures. And I am excited that this year I get to be here for the celebration – as in past years I have had to attend DECYP Principal meetings.

I hope that our Dads, Granddads, Dad figures and students get to come along and enjoy a bacon and egg roll (the team are famous for them) and spend time celebrating together. There will be a few stalls with items for Father's Day presents for sale. Please see the Father's Day advertisement in this newsletter for more information.

I wish all of our families a fabulous celebration of Dads and Dad figures with us on Thursday and again together on Sunday.

And lastly, a reminder to provide us with your feedback. The **2025 School Satisfaction Survey** is currently OPEN

We want to hear from you, as input from families is very important to help us inform our school planning and decision-making. Every year the Department for Education, Children and Young People conducts a School Satisfaction Survey to find out what your child(ren)'s school does well and where it may improve. We would be grateful if you took part in our online survey about Hagley Farm Primary School. The survey is open from Monday 25 August 2025 until Friday 19 September 2025 and should take about 5 minutes to complete. Each family should nominate one person to fill in this survey for their child(ren).

Take the online survey by clicking this link or pasting it in your browser: <https://nam.dcv.ms/XheGRxXaJ7>

Open Classrooms – Tuesday 16th September

We're excited to welcome families to our Open Classrooms on **Tuesday 16th September**, from **3:15pm to 5:30pm**. This is a wonderful opportunity to visit your child's classroom and share in their learning journey. There will be a BBQ with a free sausage available for people who attend.

Using our online booking system, families can book a **15-minute session** in their child's class, alongside a small group of other families. During the session, your child will showcase their learning from throughout the term and invite you to engage in some of the classroom activities.

The booking system is open with the link and QR below. The booking system will be closed Monday the 15th of September. If you have any questions, please contact the office.

<https://www.schoolinterviews.com.au/code/atdsa>

Reminders will not be sent, so please add any appointments to your calendar, now.

The open classroom for you will run for 15 minutes only and will be held in your child's classroom.

The smooth running of our open classroom's relies on us all keeping to the timetable.

Please consider other parents and end on time.

Students are strongly encouraged to attend the open classroom with you.

If you have any further enquiries or if you need to cancel at short notice, please contact the school on 63922272.

Literacy and Multi Tiered System of Supports Framework Supporting Every Student's Literacy Journey: Our Approach

Dear Parents/Carers and Families

At our school, we're committed to making sure every child and young person receives the literacy support they need—when they need it. That's why we use a consistent, evidence-based approach across all Department schools called the Multi-Tiered System of Supports (MTSS).

Here's how MTSS works:

- Tier 1 – For all students: Every child is taught to read using proven, evidence-based teaching strategies.
- Tier 2 – For some students: Those who need extra time and practice with specific literacy skills work in smaller groups, alongside the learning they do in Tier 1.
- Tier 3 – For a few students: These learners receive one-on-one support to help them learn specific literacy skills, alongside the learning in Tier 1.

This system ensures that every student gets the right amount of help at the right time. Whether it's extra practice or individual support, MTSS is our way of making sure no student is left behind in their literacy journey.

If you have any questions or would like to learn more about how your child's learning is supported, please don't hesitate to reach out to your child's teacher.

Kind regards
Justine Page
Quality Teaching Coach for Literacy

1/2 Excursion to Clarendon House

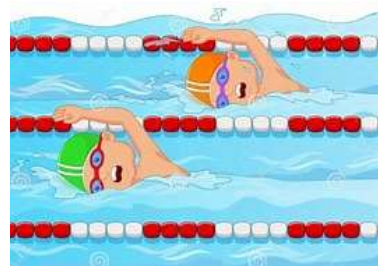

On Thursday the 28th of August we went for an excursion to Clarendon house to learn about the olden days and the history of this significant homestead. We had a wonderful time exploring the house, outer buildings and gardens. We would like to thank all the teachers, education assistants, parent helpers and the wonderful ladies who took us around Clarendon House.

Thank you to Mel Ihnen for capturing such wonderful photos of our excursion.

Swimming and Water Safety Swimming Caps

Students in Grades 3,4, 5 & 6 participating in the Swimming and Water Safety Program in Weeks 9 & 10 are required to wear swimming caps. We have these available at the office to purchase for \$3.00 in house colours – red, green & yellow. Buy them now for Swimming & Water Safety and then you will also be ready for the Swimming Carnival in Term 4.

Write a Book in a Day

This week 18 5/6 students will participate in Write a Book in a Day. WABIAD is a national competition where students, in teams, write and illustrate a book from cover to cover. The competition is designed to raise awareness and support for children with cancer. Finished books will be digitally published for children in hospitals around Australia to read and enjoy.

Students have been fundraising over the last few months. If you would like to support this event by sponsoring students or teams from Hagley, access the following link [Sponsor a Student | Write a Book In a Day](#). So far students have raised over \$2100.

Good luck to the three teams on Thursday, we look forward to sharing your creations.

Spring in the School Garden

Spring is here, and the garden is looking great! The Garden Club has enjoyed hosting Kinder, Prep, Grade 3 and 4 students—highlights included spotting an owl, discovering worms, and planting together.

Next up: spreading compost, propagating plants, and sowing more seeds. Visit the veggie patch on Thurs morning to pick kale, carrots, leek, radish, or lettuce.

We'd love more parents, grandparents, or friends to join our gardening community. Contact Jane (0439 877 573) or Shelly (0427 907 032).

Bus and After School Arrangement Messages

A reminder to parents and carers to please ensure that you let the office know of any changes to bus or after school arrangements for children before 2.30pm. Whilst we do our best to ensure messages are given to children in a timely fashion, it is extremely difficult to locate students and relay messages when phone calls are received close to the end of day bell. Whilst we understand last minute delays happen, please help us to help you by calling as early in the day as possible.

Puzzles!

On Wednesdays, student leaders Harper and Zoe, along with some of their friends, run Puzzle Club in the library at lunch time.

We are very lucky that quite often, Australian puzzle champion Katrina Coleman, joins us for these sessions.

Katrina is the current National Champion and is representing Australia at the World Championships in Spain this month! Katrina also competed at last year's World Championships, finishing 7th!
Good Luck Katrina!
